

FOXWOOD ACADEMY

Summer Term 2 2026

Foxwood 14-19 Phase

June 2026

We hope you've all enjoyed May half-term and are ready for this last half-term of the academic year.

This half term we have a number of trips to Hagg Farm as well as a number of Duke of Edinburgh expeditions and other trips.

We will also be celebrating students' efforts at parents'/carers' evening, at Presentation Evening and with reward trips.

Focus On Creative

This Sway we are focussing on our Creative curriculum and keeping you up to date with what students have been up to.

The Creative Arts class has had a busy and enjoyable year working on a group film project. Students split into two groups to come up with their own ideas and write scripts before heading out to locations around Nottingham to film and act in their movies. They have really enjoyed seeing their ideas come to life and are currently editing their footage to create the finished films. Alongside this, the class has visited a variety of local arts venues, including the Contemporary Gallery, and took part in a workshop with a visiting theatre group, where they learned about how lighting is used in performances. Here are some still images from their movies so far!

Last half term, Enterprise were learning about different roles within the arts. We visited the Andy Warhol art exhibition at Lakeside gallery. We have been working towards choosing roles that we are going to take when putting together our in house end of year performance.

Children's Commissioner for England

The Children's Commissioner Dame Rachel de Souza is completing a national survey, The Big Future. She has been in touch to request your participation.

We will be supporting students who wish to take part but you can also do so at home.

This is the link <http://www.childrenscommissioner.gov.uk/thebigfuture>.

It is crucial she hears from children in every school and college, in every community, across the country. Without this our their experiences, views and aspirations risk being missing from the national picture that will help shape future policy.

At a time of significant change for children and young people, it is more important than ever that their views are reflected in policy making. She will be able to take the voices of your students directly to the centre of government.

Transition Sessions

IN OUR CLASSROOM

venspired.com

The transition sessions are fast approaching. The first one is on 19.6.26 in the afternoon and the second one is held on the morning of the 22.6.26. This is an opportunity for new students to Foxwood to have some taster sessions in a class. Current Foxwood students may also find that they are visiting a different classroom for the transition sessions. This does not necessarily mean that this is the class that they will be in from September. The transition sessions are important sessions for staff to see which the right class is for our current students. Following transition days, there will be further discussions around classes for

students. Once final decisions have been made regarding your child's class for September, this will be communicated in their end of year report.

Dates for your Diary

15th- 17th June: Hagg Farm Girls Trip

19th June: Class transition afternoon

22nd June: Class transition morning

1st-3rd July: Hagg Farm Boys' Trip
