

24th July 2026

Dear Parents and Carers,

Well, we've just about made it – another school year completed!

It has been a lovely year, and our pupils have been wonderful. They have worked hard, embraced new experiences and taken part in a wide range of learning, trips, residential, celebrations and activities. There has been a great deal of fun along the way too.

I would also like to thank our staff team for their commitment, care and hard work throughout the year. It remains an honour to work alongside such a dedicated group of children, young people and staff.

At the end of this term, we say goodbye to two colleagues. Kylie is moving on to become a senior leader and SENCO in a Nottingham City primary school, while Nikki will become a headteacher in a Nottinghamshire junior school. We wish them both every success in their new roles.

We are already looking forward to the new academic year, welcoming new pupils and families, and beginning the next stage of Foxwood's development. Work on our new building begins on Monday, which is an exciting milestone for the school.

From time to time, we are required to share certain policies for consultation. All of our policies are available on the school website. We are currently consulting on our Relationships, Sex and Health Education (RSHE) policies. Should you wish to comment on these policies, please contact me by email. Consultation will close 1st September 2026.

During the summer, safeguarding contact information will remain available on the school website, and school emails will continue to be monitored.

Thank you again for your support this year. I hope you all have a safe and enjoyable summer, and I look forward to seeing everyone again in September.

James Hutchinson
Headteacher
