Foxwood 14-19 Phase

January 2025

### Happy New Year

We hope you have all had a good break and a happy new year. It's been great to welcome all the students back. We have started the new year with some new staff: we welcome student teacher Nicola who will be teaching Science and Joanna who will be teaching in Enterprise.

### **After Foxwood**

On the afternoon of 12th February 2025 we will be holding our annual Transition Evening. Laura, our careers lead, has been busy inviting a number of Colleges, activity providers and transition support workers. This give students, parents and carers the chance to get some idea about what opportunities and support will be available after Foxwood. For may students this may seem a long way off but it's always good to be informed about options. Staff from the 14-19 phase will be around to help signpost parents and carers.

Another event has been organised at Harvey Haddon Leisure Centre on Saturday 8th February.
