#### Internal Appeals and Enquiries about Results (EaR) Policy

Foxwood Academy is committed to ensuring that whenever its staff assesses students' work for external qualification, this is done fairly, consistently and in accordance with the specification for the qualification concerned. Assessments should be conducted by staff who have the appropriate knowledge, understanding skills, and who have been trained in this activity. Students' work should be produced and authenticated according to the requirements of the examination board. Where a set of work is divided between staff, consistency should be assured by internal moderation and standardisation.

If a student feels that this may not have happened in relation to his/her work he/she may make use of this appeals procedure. Note that appeals may only be made against the process that led to the assessment and not against the mark or grade.

The existence of this procedure is made known to students by reference in the student guidance notes.

This procedure is available from the Academy office.

- Appeals should be made as soon as possible, and should be directed to the attention of the examinations officer. Any appeal should be made before the end of the academic year
- 2. Appeals should be made in writing to the Examinations Officer, who will investigate the appeal. If the Examinations Officer is not able to conduct the investigation for some other reason, the Deputy Headteacher will investigate the appeal. (If the Deputy Headteacher was directly involved in the assessment in question, the Head of Centre will appoint another member of staff of similar or greater seniority to conduct the investigation).
- 3. The Examinations Officer or other member of staff will decide whether the process used for the internal assessment conformed to the requirements of the awarding body and the examinations code of practice of the QCA. This will be done before the end of the series. (Currently the end of June for the summer series).
- 4. You will be informed in writing of the outcome of the appeal, including any correspondence with the board, any changes made to the assessment of your work, and any changes made to improve matters in future.
- 5. The outcome of the appeal will be made known to the Head of Centre, and will be logged as a complaint under the complaints procedure. A written record of the appeal will be kept and made available to the awarding body at their request. Should the appeal bring any significant irregularity to light, the awarding body will be informed.

After work has been assessed internally it is moderated by the awarding body (examinations board) to ensure consistency between centres. Such moderation may change the marks awarded for internally assessed work. That is outside the control of Foxwood Academy and is not covered by this procedure. If you have concerns about it, please ask the Examinations Officer for a copy of the appeals procedure of the relevant examinations board.

#### **Enquiries about Results (EaR's)**

Any student who wants to query a mark/grade awarded by an awarding body upon issue of results should follow the following procedure:

- 1. Contact the Examinations Officer as soon as possible (but at least 5 working days before the published deadline for EaRs) in person to discuss the mark/grade. The Examinations Officer will advise on the options available to query the mark/grade and the costs involved in this process.
- 2. Students should be aware that EaRs can result in marks/grades being raised, confirmed or lowered. Students must sign a consent form to confirm that they understand the consequence of an EaR. Consent forms will be issued by the Examinations Officer.
- 3. The subject teacher will review the student's marks/grades and discuss with the Head of Centre, where relevant, on the appropriate action taking into account the breakdown of marks, the grade boundaries and the student's predicted grades.

#### If the Head of Centre agrees to support the EaR:

a. The request, together with the student's consent form, should be made to the Examinations Officer before the published deadline for EaR's. Responsibility for the cost of the enquiry will be agreed in advance.

#### If the Head of Centre does not agree to support the EaR:

- b. A student may appeal against the decision not to support an EaR. Appeals should be made in writing to the Examinations Officer, at least 5 working days before the published deadline for EaR's. The appeal should state, in detail, the reason(s) for the appeal. This appeal should be signed and dated and should include the daytime contact telephone number of the student, parent or guardian. The appeal information will be reviewed by the Examinations Officer and a member of the Senior Leadership Team; the outcome of the appeal will be communicated by telephone/email/1st class letter post within 24 hours of receipt. This decision is final.
- c. If the centre does not support the EaR the student may still proceed with the EaR but all costs involved will be paid by the student at the time the EaR is made. No EaR's will be made until fees are paid. Requests must be made in person to the Examinations Officer before the published deadline for EaR's. If the enquiry is successful the fee will be refunded to the student.
- 4. Outcomes following EaR's will be forwarded by the Examinations Officer to the student as soon as possible after they have been received from the Awarding Bodies.
