We loved throwing eggs in Science and making them go Splat!

We loved the Christmas Elf...when we found it there was chocolate!

In Year 3 James had blue bonbons and Mrs Avery warned him not to eat them. He snuck into the toilets and ate them and came out with a blue face! Ooooooh did he get wrong!

We had so much fun on the last day...we'd finished our first year of Juniors!

You make friends for life!

We loved singing songs with Mrs Lazenby!

Year 4!

The pencil sharpener pot that we were fighting over exploded...we turned round with black faces and got told off!

When it was your birthday you used to get to spin on Miss Anderson's chair

Year 6...Scary? Surely not!

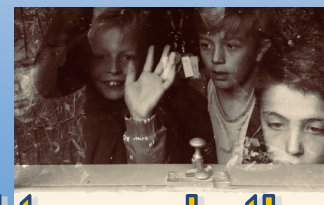

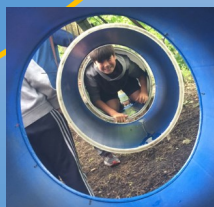

Year 6!

Derwent Hill

I loved being able to wander round at Beamish

I loved Derwent Hill because of the new experiences, like the Death Swing and Gorge Walking. It gives you a sense of independence and you fill with pride when you climb a mountain—Liam O
