

Fulwell Junior School

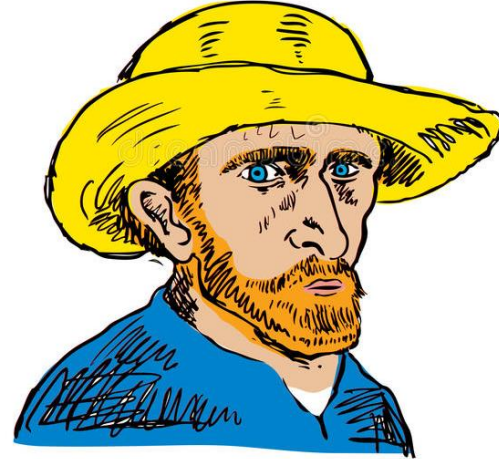

Enrichment Friday - Art
22nd January 2021 - Week 2

Responding to Art...

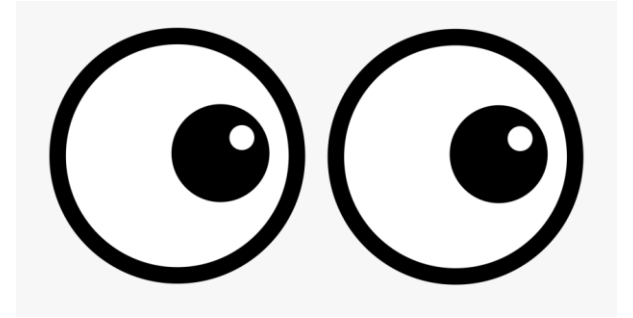

Learning about the work of other artists can help us to understand:

- different viewpoints
- how different artists see things
- different times in history
- how to develop ideas and different styles in our own work

Task 1- Take a look...

What do you see?

Shapes
Colours
Details

Anything else?

What is it about?

**What do you think
is happening?**

What can you tell
from what you see?

Where could it be?

What time of day?

What time in
history do you
think this is?

What do you think?

**Can you make links
with what you see-
does it remind you of
something else?**

How would you...?

What would you have done if you were the artist?

What would you change - different colours, medium, view etc.

Task 2- Take a look...

How many men can you see?

How many women can you see?

How many children can you see?

How animals can you see?

How many plates and jugs can you count?

What food do you think they are eating?

Task 3- Look again...

Time to draw

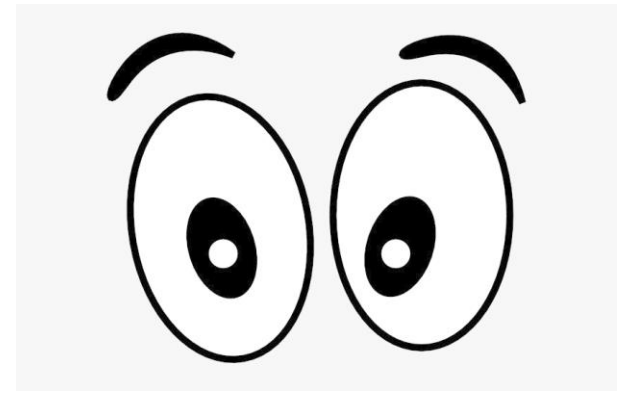

Focus in on a small part of the painting- choose a part you like/that interests you.

Make a sketch/drawing of this part.

Task 4- Look again...

The painting is called 'Peasant Wedding' by Pieter Bruegel.

Can you give it another title?

Task 5- 'Time travel'

Imagine what might have happened before this scene the scene or immediately after e.g. could the men have dropped the dishes.

Write a short description of this imagined event remember to make good descriptive language choices.

Task 6- A Challenge

Use the fact finding prompt sheet to help you find out more.

Name of Artist:
Born:
Died:
Nationality:
Famous for Painting:
Fascinating Facts:
Can you find out about any other artists famous for painting groups of people?

We would love to see your written description of the event. If you'd like to share please email Mrs Hill or Mrs Humphries.

fulwell.junior@schools.sunderland.gov.uk

Have a great weekend...see you on Monday
