

**Good afternoon everyone and  
welcome back to Faculty Friday!**

**This week's session will be building  
on the work you did in our previous  
Faculty Friday afternoon. Over the  
coming weeks we will be looking at  
specific careers/jobs  
and pathways.**

# Fulwell Junior School

## Faculty Friday

### Aspiration

*5<sup>th</sup> February 2021*

# Task 1

Can you complete the missing words in this definition of **'Aspiration'**?

...a strong **d\_\_\_\_\_**, a longing, **a\_\_\_\_\_**, ambition or **g\_\_\_\_\_**.

Think

Is a career and a job the same thing?  
why/ why not?

## **JOB...**

- a paid position of regular employment.

## **CAREER...**

- occupation undertaken for a significant period of a person's life and with opportunities for progress.

# Task 2-Community job search

- Investigate the community scene on the next slide.
- How many different jobs/careers can you think of?

HOSPITAL

Offices

GYM

SCHOOL

SPECS R US

BANK

CHEMIST

Dentist

CareHome

LAUNDERETTE

RESTAURANT

G.P.

AMBULANCE

SUPERMARKET

# Task 3-In the future

Record what you think you might want to do as a job or career when you grow up and why?

Record how you think you can get there? What might you need to do/be good at? What skills will you need?

Career/job focus 1

The NHS logo, consisting of the letters 'NHS' in a bold, white, sans-serif font, set against a blue rectangular background.

You should recognise this logo.

Do you know what the letters N.H.S stand for?

Let's find out more about careers and jobs in the NHS...

**Did you really know?**  
Quiz time...

# Who employs the most people in the UK?

1

1. McDonalds

2. National Health Service (NHS)

3. Tesco

4. Google

1

Answer

The **NHS** employs the most people in the UK and is the largest employer in Europe.

# 2

How many children from our school are likely to work for the NHS in the future?

1. One person from our school will work there

2. One person from each key stage will work there

3. One person in every year group will work there

4. One person in nearly every class will work there

2

## Answer

1.7 million people work for the NHS in the UK which means **someone in every class** is likely to work for the NHS in the future.

3

If there were 100 NHS workers in a room, how many do you think would be doctors, nurses and midwives?

1. All of them

2. More than half

3. Half of them

4. Less than half

3

## Answer

Less than half. It's **not just doctors, nurses and midwives** in the NHS. A lot of jobs have nothing to do with blood whatsoever!

4

# How many different types of jobs or roles are there in the NHS?

1. Over 350 different jobs

2. Around 250 different jobs

3. Almost 100 different jobs

4. Under 50 different jobs

4

Answer

**There are over 350 jobs to explore in the NHS.**

5

You need to be top of the class in science and go to university to work for the NHS.

True

False

5

## Answer

False. There are **lots of jobs in the NHS that are not science-based.** You don't need to go to university for them all either. You can enter different jobs in a variety of ways.

6

# Which of these jobs can you do for the NHS?

1. Gardener

2. Driver

3. Surgeon

4. Chef

6

## Answer

You can do all of these jobs  
and so many more for the  
NHS.

7

**Men can be midwives and nurses? True or false**

**True**

**False**

7

## Answer

Yes. Men and women can both be midwives so long as they have all the same training and skills.

8

**Which of these jobs can be only be done by a man or a woman?**

**1. Surgeon**

**2. Children's nurse**

**3. Paramedic**

**4. Doctor**

8

## Answer

**They can all be done by men or women.** Different people will prefer to do different jobs. One might love caring for children and become a nurse for the NHS. Another might choose to train as a surgeon.

9

Everyone has the same opportunities to do a job as each other? True or false

True

False

9

Answer

True. Everyone has the **same rights to opportunities** as each other.

The NHS has been helping us for many years, but in which year was it born?

10

a) 1978

b) 1918

c) 1998

d) 1948

10

Answer

**The NHS was launched in 1948**

It was set up to provide free healthcare to everyone and employed 144,000 people in 1948.

# You can do all of these jobs for the NHS!

If you work for the NHS, you can work in:

- a hospital
- in a surgery or clinic
- in the community
- in an ambulance
- in an office
- in a laboratory
- in a patient's own home

**There are more than 350 jobs in the NHS!**

## Job card

What do you do in this job?

---

---

---

---

What talent or skills do you need for this job?

---

---

---

---

Things you would use or wear in this job include...

---

---

---

---

Together we can make a difference!
