

# IVORY COAST

Ivory Coast is found in the Western Coast of Africa. They speak the same language as Normandy (French).

The capital city there is Yamoussoukro. It is famous for making cocoa, bananas and coffee.

French is the official language in the Ivory Coast.

Abidjan is the largest city there on the Ébrié Lagoon.

The population there is 30M. They share the same currency as Normandy. (euros)

# NORMANDY

Normandy is found in northern Africa. They speak the language French. In Normandy they eat at different times. They eat breakfast at a quite early time as it is the smallest meal of the day.

Lunch is at midday like normal time.

They also have an afternoon snack which is usually after school at around 4:00 to 4:30 pm.

They call tea dinner and they have it late at like 8:00 to 9:00 pm. Instead of using pounds (£) they use euros instead.
