Dear School Council

**Re: Lancashire Healthy Schools Programme Quality Marks Award**

Congratulations on achieving the Emotional Health and Wellbeing and Teaching and Learning Quality Marks with the Lancashire Healthy Schools Programme. The certificates awarded to the school have been sent to your Head teacher.

These achievements will be celebrated by appearing on the awards sections of the website [www.lhsp.org.uk](http://www.lhsp.org.uk). These awards are valid for three years, for information on how to re-validate, please visit [www.lhsp.org.uk](http://www.lhsp.org.uk)

What stands out in your submission is:

- How your teachers listen to your views which you express openly and honestly. Most importantly, having made changes they seek your views to ensure your experiences in school have improved as a result.
- Your school rewards all kinds of achievements such as The Good Samaritan Award, given for kindness.
- How responsive your teachers are to what you need in school across all classes but also tailored for individual pupils.

The representations of change on your school website clearly demonstrate:

- How each class interpreted the three school rules to make them applicable to your age group.
- How you are very capable of expressing how you benefit from the opportunities provided for you in your school.

Thank you for the hard work being done to improve the health and wellbeing of the children and young people and the school community and best wishes with continuing to build on your achievements.

Yours sincerely

Kate Piercy
