Friday 4th February 2022

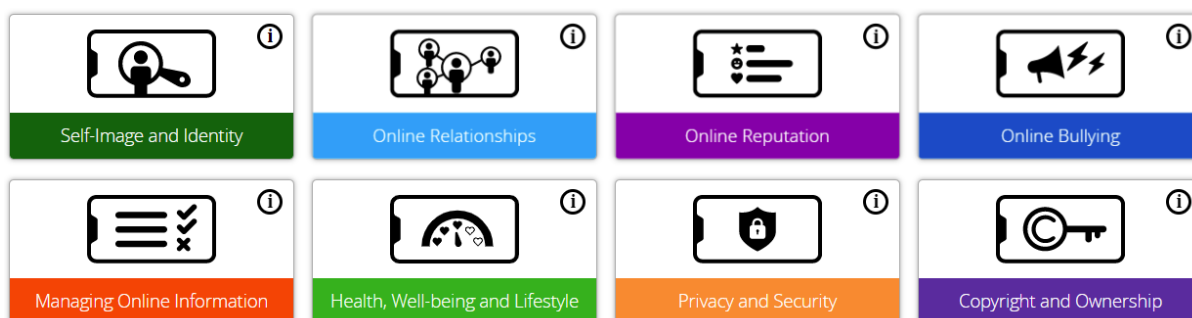

Internet Safety Day - 8th February

NSPCC
Learning

 **UK Safer Internet Centre**

What we will be learning about in school

There are a range of age- appropriate skills and understanding that we will be teaching the children to keep themselves safe, based on the latest information from UK Safer Internet Centre

Detail on the content is from the UK Council for Internet Safety and can be found on our website - Parents > Internet Safety

<https://fulwood-st-peters-church-of-england-primary-school.secure-primariesite.net/education-for-a-connected-world/>

More information about internet safety can be found at:

<https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2022>

Solar Panels

After some delay, we shall be having 111 solar panels fitted to the school roof during the half term holidays. This is at no cost to the school.

On a good day they should provide 33kw of our power needs. The contractor has agreed to give a spare panel to us so children will be able to see what they look like and there is also a website showing live energy readings. We will include this in our Geography and Science curriculum.

NSPCC Number day 4th February

Thank you so much for all of the generous donations for the NSPCC, together we have raised £112.45. Photos of the wonderful costumes and activities can be found on:

<https://www.fulwoodstpeters.co.uk/number-day-2022/>

School Photography Competition

Thank you to all of the entries, they are marvellous.

Winners will be announced next Friday 11th February with prizes to be awarded after half term.

A few dates for your diary
