

# Summer 1 in Year 2

## English

We will be looking at Animal Adventure stories, particularly the story of 'Mossop's Last Chance'.

The children will then write their own animal adventure story.

**We are reading...**

## Phonics

The children will continue with the Read Write Inc Scheme. They will apply this learning to their reading and writing across the curriculum.

## RE

We will be exploring the question 'Why Is the church a special place for Christians'. The children will also be looking at other places of worship.

## Maths

We will be looking at:

- Mass, Capacity and Temperature
- Fractions
- Time

## Science

Our focus this half term is living things and their habitats. The children will be identifying animals and plants that live in certain habitats. They will Explore and compare the differences between things that are living, dead, and things that have never been alive. Furthermore, we will identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other. The children will also be able to describe how they obtain their food.

## Music

We will be learning how to play the Ukulele's. The children will learn how to hold the ukulele correctly and play a variety of chords.

## Geography

This half term we are looking at place knowledge. The children will understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom and of a small area in a contrasting non- European country.

## PSHE

Our focus this term is 'Health and Wellbeing'. Pupils will look at what constitutes a healthy diet and how to plan and prepare a range of healthy meals. They will also look at the Importance of sleep and dental hygiene. We will also explore a range of feelings and how they should respect everyone no matter their differences.

## Our Value this half term

This half term we will be looking at the value of kindness.

### How does our curriculum link to our values?

- PE - We will be showing kindness and love when creating our dance. We will work in teams and encourage each other.
- PSHE – We will be learning about how to be kind to ourselves by looking after our health and wellbeing.
- Music – We will help each other learn the ukulele and support each other when things get difficult.

## PE

During this term, we will be learning a dance with the theme of explorers!

## Computing

This unit introduces the learners to the term 'data'. Learners will begin to understand what data means and how this can be collected in the form of a tally chart. They will learn the term 'attribute' and use this to help them organise data. They will then progress onto presenting data in the form of pictograms and finally block diagrams. Learners will use the data presented to answer questions.

## Homework

We recommend regular reading to be done at home – 2 times a week. Homework will be given on a Friday for the Wednesday after. The homework will be either Maths or comprehension based or sometimes both. We will also be sending home weekly a set of the Year 2 statutory spellings to learn. Your child will also receive their next book talk tasks soon. They will have a variety of tasks to complete based on this book. A date to hand in book talk will be shared with yourself via dojo and in their book talk book.
