HAPPY HALF TERM!

OUR ONLINE SAFETY CURRICULUM RECAP

Term I: Our online safety themes this term have been

'Self-Image and Identity' 'Privacy and security.'

What does your child know about self image and identity?
Does everyone online look like that in real life?
What reasons can you think of?

What does your child know about privacy and security? What is a safe password made up of? How do you report an online safety concern?

This term we have been focusing on the 'S' in our online safety SMART rules.

What does your child know?

HAPPY HALF TERM!

Upsetting news and media online

If you need support with your child due to online news items they have seen and trying to understand, click here: https://parentzone.org.uk/article/upsetting-news-and-media-online

The article covers the following topics:

- Be comfortable with the uncomfortable
- Communication is key
- Uncensored is not uncommon
- Stop, look, listen
- Getting further help

TI Week 7

HAPPY HALF TERM!

Could you make a family agreement this half term...

A family agreement is a great way to start a conversation with your whole family about how you all use the internet, and to start discussions together around how to behave in a positive way when online, whether this is at home, at school or at a friend's.

Childnet Family Agreement

t by discussing the questions that are most relevant to your family.

(D) Getting started

- What do we enjoy doing online?
 What apps, games and websites do we use the most?
 Do we already have any rules about use of tech we want to include in our family agreement?

(L) Managing time online

- . How does it feel when we use tech for too long?
- How do we know when our screen use is interfering with family life?
 What can we do to help avoid overusing tech?

Want expert advice?

Sharing

- What should we check before posting images and sideos online?
 Do we know how to use privacy settings and what makes a strong password?
 How can we use features like livestreaming and disappearing content safely?

Q Online content

- · How do we decide which websites, opps, games
- How do we decide which websites, apps, games and devices are delight for us to use?
 What can we do if we see something online which seems unvalidable or untrustworthy?
 How can we stop ourselves accidentally spending money in a game or app?

Vindot con we do if we teld uncontrollable or upset by anything we see or hear orining. Vihits should we do if someone we only know orsite ealse us for photos, a video call, to meet up or to share personal information? Do we know how to find the report and block buttons on the websites, opps and games we use?

(v) To finish...

- · How could parental controls help our family? What should happen if one of us breaks the
 - family agreement?

 When should we review our family agreement?

Who can we talk, chat or play games with online? Just family? Friends? Anyone?

 How can we keep ourselves safe if we are communicating with people who we only know online?
 How can we look after our friends when we are online? . How can we keep ourselves safe if we are

If things go wrong
