

Gagle Brook Primary and Nursery School Curriculum

Our whole school curriculum is based around enquiry questions, leading to topics where the teaching and learning is immersed in to answering the ‘big question’. We start each new term with a new question, this begins with a hook day or week. We end each term with a celebration event that involves our whole school community.

Our ‘Big Questions’ in 2023-2024

Term 1 Where will our future take us? (Computing Focus)	Term 2 Hidden behind the picture is...? (Art/ History Focus)	Term 3 Can we investigate? (Science Focus)	Term 4 What’s between the pages? (English/ DT Focus)	Term 5 How sustainable are we? (Geography Focus)	Term 6 What makes us unique? (PSHE and PE Focus)
