

Autumn Term
Week 1

Welcome back!

We hope that you have had a fantastic Summer Break, filled with lots of laughter and family time.

This term promises to be filled with fun and adventures; together we will explore the big question: Where will our future take us? And we will be planning and planting up the new garden area as a class.

Be sure to check out our topic web for more curriculum

information as well as our school pages for regular updates on our learning.

We welcome volunteers to listen to children read, please see Mr Street.

This week we will be settling in gently, getting to know each other and setting our expectations for the year ahead.

Reminders:

PE days are Monday and Wednesday -

we will use the outdoors for as long as we can. More information will follow regarding swimming this year.

Learning in Nature will continue, please keep an eye out for further details.

Please remember to bring water bottles every day, along with their own healthy snack and lunch if they are not having a hot meal.

Getting to know you...

We are excited to be learning with you this year as part of the Year 3 and 4 team. This summer I have taken up Belly Bordering and finished off a number of jobs in the garden - hopefully the sun will come back so I can enjoy sitting out! Please come and talk to us about any concerns or if you just want a chat!
