Dear Parents/Carers of Year 4 Children

At Garden City Academy, we are committed to doing what we believe to be right for our pupils to ensure children's needs are met so that all of our pupils can achieve.

We have therefore made the decision to move our current year 4 class to the current year 2 classroom (known as Coconut). The class will remain named as Lilac class.

We believe this move will benefit the children in many ways. Firstly, it will allow year 3 and year 4 staff to work more collaboratively together to improve practice and provision in lower Key Stage 2. It will also enable the teaching assistant, who is split between the two classes, to work with small groups in a shared learning area and provide more effective support when needed.

The children will move into their new classroom after half term and we will be informing them today of this change.

We appreciate that this change may unsettle some of the children initially and we will work closely with them regarding transition next week.

Thank you for your understanding and support.

Yours sincerely

Mrs Samantha Ruck
