Dear Parents and carers,

It has been another busy week at GCA. Year 3 started their swimming lessons and this was a great success - they had so much fun. We also had the fire service visit to discuss fire safety with the children. We learned that if we see a person on fire we should shout 'Stop, Drop and Roll' and that we should test our fire alarms monthly.

In assembly today we spoke about the Book Nook and the opportunity to apply to become a book Nook supervisor. This is an important role and the children need to complete an application form for this. If they did not collect one today they can come and get one on Monday. I will post the form on the dojo story so they can start thinking about what they want to write. In the coming weeks there will be further opportunities for the children to apply for responsibilities within school.
