Growing Confidence Aiming high

Welcome back to a new term with a special welcome to the new families and children who have joined pre school as well as those who have joined in different classes. It has been lovely to see you all settle so well. We are excited to continue our journey together, focusing on our motto: "Growing Confidence, Aiming High." This means we encourage the children to believe in themselves and strive for excellence in all they do. We believe that every child has the potential to achieve great things, and we are here to support them every step of the way.

As we start this term, we want to remind everyone of the importance of attendance. Being on time every day is crucial for success. Regular attendance not only helps pupils keep up with their learning but also fosters a sense of belonging and community within our school.
