Dear parents

We have reached the end of another fun filled week at GCA. I would like to firstly say how wonderfully the Year 3 children behaved during their sleeping under the stars experience. We toasted marshmallows to make smores, played games and sang camp songs. We are very proud of each and every one of them.

I also want to say a huge well done to the whole school community for our recent ofsted inspection. We are so proud that we continue to be a **good** school and that the inspector recognised that GCA is a happy school. Other key points highlighted in the report were:

- Reading is at the heart of the schools curriculum.
- The school offers a broad and balanced curriculum.
- Respectful relationships are the norm.
- Personal development is well catered for.

As you know we have been really focussing on improving attendance and this has been highlighted as an area for improvement. We will continue to do all we can to support attendance and we will be looking at ways we can further support families in this area.

Mrs Ruck

Next Friday is our Summer Fair. The PTA put so much time and effort into organising these events so please do join us supporting them through attending the event - We look forward to seeing you all there.

Have a brilliant weekend

Mrs Ruck

Hello all!

We are so excited for our Summer fair next Friday!

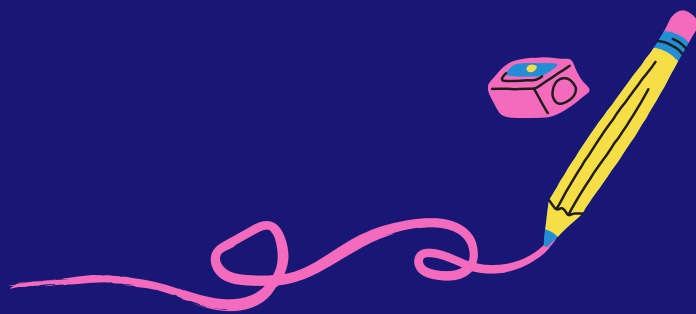

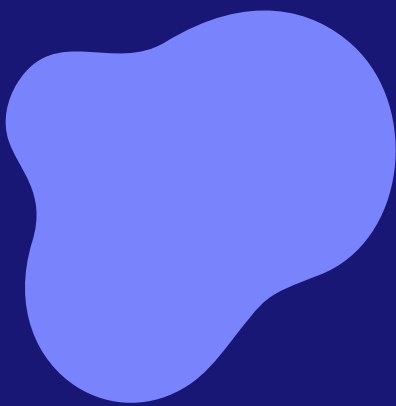

We will be operating a new token system this year.

Before you head to any of our game stalls and inflatables, you will need to purchase tokens worth 50p each. You will still be able to use card and cash payment on our BBQ and refreshment stalls. The token stall will be setup in one of the wooden gazebos on the field.

External stalls will have their own payment systems in place.

For any questions, please email us on [pta@gardencityacademy.org](mailto:pta@gardencityacademy.org)

Thanks!  
Elena

## Attendance matters

Every day in school  
makes a difference  
to your child's future.
