

GARDEN CITY ACADEMY NEWSLETTER

6TH JUNE 2025

DEAR PARENTS

Wow - we have already completed a week back at school - what a busy week it has been. I have been very impressed with the learning behaviours I have seen across the school. The children have all remembered what makes a STAR learner - why don't you ask them to explain this to you?

Uniform

A big thank you - the children have returned looking so smart and nearly everyone is following the uniform policy so well - please keep up this high standard.

PTA spotlight

We held a PTA meeting this week and I would like to take this opportunity to say a huge thank you to the members - they work so hard to raise funds to benefit all children and without them not only we we not have the wonderful events they hold but the money they raise enables us to provide enrichment opportunities for all. If you are interested in joining the PTA or helping at any events do please reach out and let us know - any help is always so appreciated.

Have a wonderful weekend

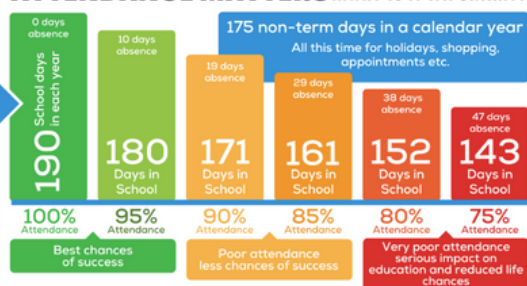

Mrs Ruck

REMINDER OF THE WEEK

Please do not drive into the carpark unless you have a disabled badge / parking permit.
