Dear parents

What a busy week we have had at GCA. We have had a visit in Reception, Year 1 and Year 2 from PC Callum. Year 5 and 6 have had a brilliant STEM workshop and we loved welcoming you to join them for an after school workshop. Year 6 also had the first of four sessions with an artist.

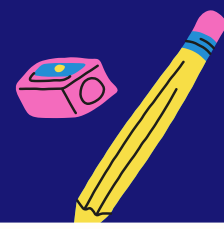

We need to give a special shout out to Year 4 for being Hiking Hero's. The children were amazing and came back to school tired but happy.

We also had our OFSTED visit this week. The children were amazing and the inspector was impressed with how well they spoke to her about our school.

I hope you all have a wonderful weekend and I look forward to seeing you all on Monday.

Mrs Ruck

Holidays/Absences during school

This is a polite reminder, that if you are taking your child on holiday during school hours, as per the policy we require an absence request form to be filled out. These can be collected from the office. We will then confirm with you whether this will be authorised or unauthorised.

This is required for all absences, regardless of duration.

From a safeguarding perspective, this is important so we are aware of the whereabouts of your child and no concerns are flagged.

We appreciate your cooperation.

Attendance matters

Lets see if we can have a record week for attendance next week - We will be looking for the class with the highest attendance.

Remember being at school every day really does matter.
