WB – 15th June 2020 Year 6 Learning activities.

Hello children and parents/guardians,

The ideas on here are suggested activities for your child to complete this week along with a suggested timetable. However, you may wish to change the activities around, for example do some art on Monday instead of Wednesday etc. Or you may spend the afternoon doing some baking, or an outdoor, physical activity if it is a nice day, instead of doing one of the suggested tasks! It is entirely up to you and your child, however please do email any photos of activities or completed learning to year6@gca.herts.sch.uk so we can comment on your wonderful work, offer help and stay connected!

Please do contact us if you have any questions or if you have forgotten the username or password for Mathletics or Times Table Rockstars.

Stay safe and stay well.

Mr Bryan, Miss Thompson, Mrs Allen and Mrs Bruce

Suggested daily timetable		
Activity	Suggestions	KS2
Wake Up	Breakfast routine, make your bed, get dressed, put your washing in the basket.	
Spelling or Handwriting	Practise the spelling words sent home using neatest cursive handwriting	15 mins
