

Week 2 – Year 3 learning activities

Hello, we hope you are all keeping well.

The ideas on here are suggested activities for your child to complete this week along with a suggested timetable. However, you may wish to change the activities around, for example moving Science to a different day if it's going to be sunny (you need sunshine for this week's science). Or you may spend the afternoon baking or doing something creative instead of doing one of the suggested tasks. It is entirely up to you and your child however please do email any photos of activities or completed learning to year3@gca.herts.sch.uk so we can comment on your wonderful work, offer help and stay connected!

Please also contact us if you have any questions or if you have forgotten the username or password for Times Table Rockstars.

Many thanks

Mrs McGann, Ms Begum and Mrs Liddle

<p>Reading- read a book or listen to a free audio story. https://stories.audible.com/start-listen</p>	<p>Reading- read a book or listen to a free audio story. https://stories.audible.com/start-listen</p>	<p>Reading- read a book or listen to a free audio story. https://stories.audible.com/start-listen</p>	<p>Reading- read a book or listen to a free audio story. https://stories.audible.com/start-listen</p>	<p>Reading- read a book or listen to a free audio story. https://stories.audible.com/start-listen</p>
<p>Topic Home sweet home</p> <p>https://www.discover-leetchworth.com/</p> <p>Activities:</p> <ul style="list-style-type: none"> • Create a poster on the things there are to do in Letchworth, use any information you can find on the link above. 	<p>Music Learn a song</p> <p>https://www.youtube.com/watch?v=e8QOHmilSU</p> <p>Activities:</p> <ul style="list-style-type: none"> • Learn the song on the link above. • Remember to learn small parts at a time. • Remember to count yourself in too. 	<p>French Count in French</p> <p>Activities</p> <ul style="list-style-type: none"> • Watch the Youtube video of Mrs McCusker demonstrating what to do, then get creative and have a go yourself. How high can you count in French? Some ideas of what to do could include: bouncing a ball, juggling, doing cartwheels, skipping and lots more. 	<p>Science Plant as foods</p> <p>https://www.dkfindout.com/uk/animals-and-nature/plants/plants-as-food/</p> <p>Activities</p> <ul style="list-style-type: none"> • Read about how plants are used as food crops • Take the quiz • Any questions you may have got wrong use the internet to research the answer. • Draw a food that from made from plant crops. 	<p>PE</p> <ul style="list-style-type: none"> • Watch Joe Wicks daily PE videos (old and new videos) • Watch the videos and complete the activities. (If you do not have printer to print activities sheet you can write out the sheet yourselves, do it on a word document or record yourself with the answers and complete the activities) <p>https://www.youtube.com/watch?v=z1UmAgekzbs</p>
<p>Art One point perspective art</p> <p>On point perspective art is using shapes and lines and to create a vanish point. What you need and a road and have building trees on either side of the road. The vanishing point needs to be on the centre of the page (vanishing point is where the road stops showing). Be creative; make your own one point perspective art. Take a look at the ideas on the link to create your own. You can use paint, colouring pencils etc.</p> <p>https://www.deepspacesparkle.com/one-point-perspective-art-lesson/</p>
