Design Technology Rainbow Cake Competition

Rosie S- Third Place

Iced of Garstang said:

Very good layering and good proportions. Covered well and great application of sprinkles. Fabulous topper idea- well done.

Chloe G - Second Place

Quirky design idea and great
marbled rainbow sponge. Good
colours. However, it's the sugar
rainbow that is so well executed!
Pat on the back for that!

Jorja N- First Place!!

A very clean and neat cake- great colours and amazing proportions. Covered to a high standard and a well thought out bunting topper. Amazing work!
