

IMPORTANT INFORMATION - PLEASE READ -20TH MARCH 2020

Dear Parent/Carer

We are working hard to continue to provide a supervised learning area for students whose parents/carers work have been identified by the government as key workers.

This offer extends to children who are on EHCP plans and children who are vulnerable and have a Social Worker.

If it is your intention to access this provision during the extended school closure, please could you read the information below carefully and complete the form ASAP.

Thank you to those parents/carers who have already contacted us and kindly ask that you also complete the form below ASAP.

Information from the DfE

1.If it is at all possible for children to be at home, then they should be.

2.If a child needs specialist support, is vulnerable or has a parent who is a critical worker, then educational provision will be available for them.

Please ensure you have checked the 'key workers' list yourself before completing the form below.

Many thanks
