Dear Y10 Parents/carers

As I am sure you have heard, the Government have announced that 'For pupils in year 10 ... we are asking schools ... to supplement remote learning with some face to face support for this year group from 1 June. We do not expect these pupils to return to school ... on a full time basis at this stage, and so we do not expect a full timetable to be offered as schools ... look to minimise the number of pupils in school ... each day.'

As you can imagine, we have given, and are giving, this a lot of thought. A decision as to what this will look like at GCA will be made over the coming days and we will communicate with parents as soon as we have a plan.

Warm wishes

Mr Ashcroft
