

Weekly safeguarding/notice with a difference

🌟 Garstang Community Academy: End of Year Update & A Huge Thank You! 🌟

As we approach the end of another fantastic academic year, we want to take a moment to look back at the key messages we've shared with you here on Facebook.

Our main goal this year has been to provide you with a clearer insight into contextual safeguarding at Garstang Community Academy, and to reassure you that we are always actively working to improve and refine our practices to keep our young people safe.

👨👩👧👦 Strengthening Our Parent Partnership

We are deeply committed to enhancing how we engage and communicate with you. To support this:

Website Updates: We have updated our school website to offer much more comprehensive support for mental health and well-being and important information of pastoral care.

Our Facebook Page: We created this page to give you a genuine, day-to-day glimpse into the real experiences and achievements of our students. Thank you for being so supportive with your comments on the wide variety of posts.

🏔️ Yorkshire Three Peaks Update!

A massive THANK YOU once again to everyone who donated to our Yorkshire Three Peaks charity event! 🙌🎁

Your amazing generosity is being used to create a brand-new outdoor well-being space. This area will serve as an extension of the HUB, and we already know our students are going to get a massive amount of use out of it. With your incredible support, we will continue to make brilliant progress.

🗣️ We Value Your Feedback

We want to keep improving. If you feel there is more you would like to receive from us, or if you have any suggestions on how we can continue to strengthen our communication, please get in touch!

✉️ Contact: l.baker@garstang.fcat.org.uk

Wishing You a Wonderful Summer!

Finally, from everybody within the inclusion team, we hope you all have a lovely, restful summer spending valuable time with your children. Recharge those batteries and get ready to go again in September!

We already have plans in place for some exciting new improvements next academic year, so... watch this space! 👁
