30<sup>th</sup> April 2020

Dear Parent/Carer

I am emailing you to let you know that from Monday 4<sup>th</sup> May, there will be some changes to your year 7 child's school timetable.

As you may be aware, year 7 are split into two bands, 'A' band and 'B' band. Each band study the same subjects for the same number of lessons however, their timetables are different. For example, on Monday period 1, pupils in A band have English and B band have PE.

In order to make setting work on Show My Homework as simple as possible we are now going to use just one timetable for both bands. Although there are a couple of changes for A band students, this mainly affects the timetable for those in B band. Please ensure that your child is aware of the changes and that they know from Monday they **must** follow this new timetable.

I have attached an updated version of the '**Guidance for pupils and parents for accessing work and support during a school closure**' which now contains the new timetable for all year 7 students to follow as well how to contact us for support. Please remember, work will be set each day via Show my Homework.

We are hoping that the new timetable will make it easier for year 7 pupils to find and access the correct work. We have been incredibly impressed with the engagement of our students over the last few weeks and we would like to thank you for all of your support in making this happen.

Best wishes

**Mrs Rawcliffe**
