

Behaviour for Learning BfL

Garstang Community Academy's approach to Behaviour for Learning is an easy to understand, firm but fair system that allows teachers to teach and students to learn. Our BfL system supports our ethos of positive relationships, strong individual personal development and high academic achievement.

Behaviour for Learning Principles, Rules and Methods

Principles

- All pupils have the right to learn without disruption
- All teachers have the right to teach without disruption

Rules

- Pupils must arrive promptly to lessons and bring the correct equipment
- Pupils must wear the school uniform correctly
- Pupils must act respectfully towards all members of staff and their classmates
- Pupils must work to the best of their ability and contribute positively to their lessons

Methods

- Outstanding teacher led classroom management.
- Outstanding POSITIVE teacher – pupil relationships.
- The consistent application of the BfL system by all teachers.
- Regular communication between home and school.
- Every teacher at GCA taking responsibility for fairly, firmly and calmly challenging students who are displaying poor behaviour around GHS.
- Excellent communication between all staff and an easily understood chain of responsibility.
- Excellent support structures.

“ACCENTUATING THE POSITIVE AND ELIMINATING THE NEGATIVE”
