College/Sixth Form Information

Due to the current situation all our partner colleges and sixth forms have provided us with fantastic promotional video presentations. Our students have had the opportunity to watch these in form time with their teachers. In many cases the colleges have followed this up with a live Q&A session via Zoom. If you would like further information about a post 16 option that isn't included in this list please contact Paula Askew in Careers paskew@garstangcommunityacademy.com
