Dear Parent/carer

Further to previous communication, please can I inform/remind you of the following answers to some of our more Frequently Asked Questions:

Q. Where do children go when they arrive in school?

A. There will be a member of staff at the front of school helping to guide children in the right direction, but generally:

Y7 – Wednesday start - head to the back of their teaching block(Maths) – tomorrow morning they will then be shown to the tennis courts ready for putting in classroom groups.

Y8 – Thursday start – head to the area between their teaching block (Languages) and the Hall

Y9 – Friday start – head to the area between their C block teaching rooms and the Art room

Y10 – Friday start – head to the area between their C block teaching rooms and Science rooms

Y11 – Thursday start – head to the area at the back of Science block.

Breakfasts will be available in the canteen for children to pick up if they have forgotten to have breakfast at home.

Q. How will they know what room to then go to?

A. Y7 will be given this information tomorrow morning.

All other year groups – parents can log in to School Synergy and access their child's timetable which will give all the room information.

Q. Do children need to wear face masks?

A. Yes, in communal areas such as corridors, queuing at break/lunchtime and in their canteen space if they are not eating.

Children will need to sanitise their hands before and after putting the mask on and off (their own small bottle would be ideal), and will need a sealable plastic bag to store it in. Masks should be replaced/washed if they get damp.

We have some masks and bags in school for families/children who need us to supply them.

Q. Do adults on site need to wear masks?

A. Yes in certain situations.

Adult visitors will generally be asked to wear a mask before coming through the school gate, and will be required to wear it while in school.

Staff will wear masks in indoor communal areas.

Q. Will hot food be available at break and lunchtime?
