

## Subject Year Plan 2022-23

Half Term	Year 10	Year 11
Autumn 1	B1 - key concepts	B6 - plant structures and their functions
	B1 - key concepts	B6 - plant structures and their functions
	B1 - key concepts	B6 - plant structures and their functions
	B1 - key concepts	B6 - plant structures and their functions
	B1 - key concepts	B6 - plant structures and their functions
	B1 - key concepts	B6 - plant structures and their functions
	B2 - cells and control	B7 - Animal coordination, control and homeostasis
Autumn 2	B2 - cells and control	B7 - Animal coordination, control and homeostasis
	B2 - cells and control	B7 - Animal coordination, control and homeostasis
	B2 - cells and control	B7 - Animal coordination, control and homeostasis
	B2 - cells and control	B7 - Animal coordination, control and homeostasis
	B2 - cells and control	Paper 1 and Paper 2 mix mocks
	B3 - Genetics	B7 - Animal coordination, control and homeostasis
	B3 - Genetics	B7 - Animal coordination, control and homeostasis
Spring 1	B3 - Genetics	B8 - Exchange and transport in animals
	B3 - Genetics	B8 - Exchange and transport in animals
	B3 - Genetics	B8 - Exchange and transport in animals
	B3 - Genetics	B8 - Exchange and transport in animals
	B4 - Natural selection and genetic modification	B8 - Exchange and transport in animals
	B4 - Natural selection and genetic modification	B8 - Exchange and transport in animals
Spring 2	B4 - Natural selection and genetic modification	Reteach Paper 2
	B4 - Natural selection and genetic modification	Paper 2 Mocks
	B4 - Natural selection and genetic modification	Reteach - paper 1 topics
	B5 - Health, disease and the development of medicine	Reteach - paper 1 topics
	B5 - Health, disease and the development of medicine	Reteach - paper 2 topics
	B5 - Health, disease and the development of medicine	Reteach - paper 2 topics
Summer 1		ln + 1 2+ :
	B5 - Health, disease and the development of medicine	Reteach - paper 2 topics
	B5 - Health, disease and the development of medicine	Reteach - paper 2 topics
	B5 - Health, disease and the development of medicine	Reteach - paper 2 topics
	B5 - Health, disease and the development of medicine	Reteach paper 1 topics
	B5 - Health, disease and the development of medicine	Reteach paper 1 topics
	Paper 1 Reteach	Reteach paper 1 topics
	Exams	Reteach paper 1 topics
Summer 2	B9 - Ecosystems and material cycles	
	B9 - Ecosystems and material cycles	
	B9 - Ecosystems and material cycles	
	B9 - Ecosystems and material cycles	
	B9 - Ecosystems and material cycles	
	B9 - Ecosystems and material cycles	
	B9 - Ecosystems and material cycles	
	DD ECOSYSTEMS AND MATERIAL CYCLES	1
