# Maths Curriculum Map 2023/24:  Nursery

**Key**

| Term | Unit | Milestone Knowledge | |
|---|---|---|---|
| Autumn 1 (7 Weeks) | 1: **Number- Number & Place Value Geometry** (3 weeks) | Baseline against Development Matters Criteria | Baseline against Development Matters Criteria |
| | 2: **Number- Number & Place Value** (2 weeks) | Count objects, actions and claps | |
| | 3: **Geometry** (2 week) | Talk about and explore 2D shapes | |
| Autumn 2 (8 Weeks) | 1: **Number- Number & Place Value** (1 weeks) | Link numerals and amounts | |
| | 2: Measurement (1 weeks) | Use ordinal numbers | |
| | 2: **Number- Number & Place Value** (2 weeks) | Represent numbers using objects | |
| | 3: **Number- Number & Place Value** (1 week) | Subitise groups of objects | |
| | *Assessments | **End of Unit Quiz** | |

**Key**

- Number- Number & Place Value
- Number- Addition & Subtraction
- Measurement
- Geometry
- Golden Thread

# Maths Curriculum Map 2023/24: Nursery

## Key

| Term | Unit | Milestone Knowledge |
|---|---|---|
| Spring 1 (5 Weeks) | 1: Number – Number & Place Value (1 week) | Mark make to represent numbers and symbols |
| | 2: Number – Addition & Subtraction (2 weeks) | Compare numbers and quantities using mathematical language |
| | 3: Geometry (2 weeks) | Begin to recognise and name shapes |
| Spring 2 (6 Weeks) | 1: Geometry (2 weeks) | Recognise and recreate patterns |
| | 2: Number (2 weeks) | link numerals and amounts |
| | 1: Measurement (2 weeks) | Use positional language |

**Key:**

- Number- Number & Place Value
- Number- Addition & Subtraction
- Measurement
- Geometry
- Golden Thread

# Maths Curriculum Map 2023/24: Nursery

**Key**

| Term | Unit | Milestone Knowledge |
|---|---|---|
| Summer 1 (6 Weeks) | 1: Number – Number & Place Value (1 week) | Mark make to represent numbers and symbols |
| | 2. Geometry (2 weeks) | Begin to recognise and name shapes |
| | 3: Measurement (2 weeks) | Make comparisons between objects relating to size, length, weight and capacity. |
| Summer 2 (7 Weeks) | 3: Number – Addition & Subtraction (2 weeks) | Solve real world mathematical problems with numbers up to 5. (Addition) |
| | 3: Number – Addition & Subtraction (2 weeks) | Solve real world mathematical problems with numbers up to 5. (Subtraction) |
| | 2: Golden Thread (2 weeks) | Understand that coins exist. |
| | 4: Assessments (2 weeks) | **End Of Unit Quiz** |

**Key**

- Number- Number & Place Value
- Number- Addition & Subtraction
- Measurement
- Geometry
- Golden Thread
