

Gatley Primary School

Risk Assessment Overview for Parents

*In creating a Covid-Standard Risk Assessment, the school has identified risks, how they are rated and what control measures can be in place to lower the risks. Below is a summary of **some** of the key control measures which will be put in place to lower the risks we have identified.*

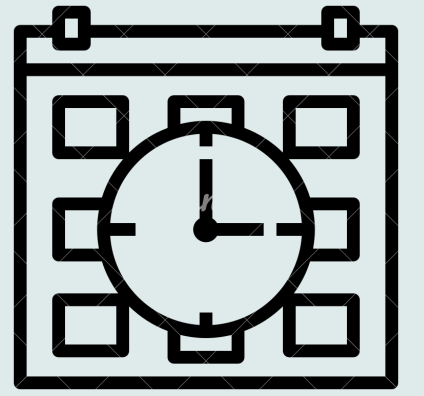

Classes will operate in 'bubbles' Year 5 and 6 will operate in a year group' bubble'

Contact with other 'bubbles' across the school will be minimised.

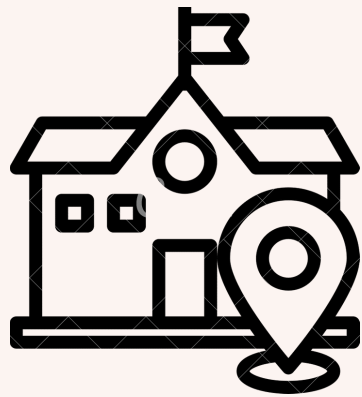

There will be staggered start and end times to the school day with designated entry and exit points

The times will be in two waves: 8.40–3.10 and 9.00–3.30. This is essential to support the safe travel arrangements to and from the school.

'Bubbles' will have designated spaces

Including learning spaces and play spaces. Initially lunch spaces will be in classrooms whilst we safely reintroduce all pupils.

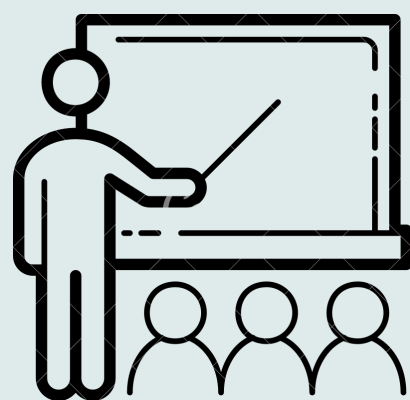

Children will be expected to wear school uniform

They can bring a bag, their P.E kit and a lunch box if required. We are asking that they bring their own pencil cases.

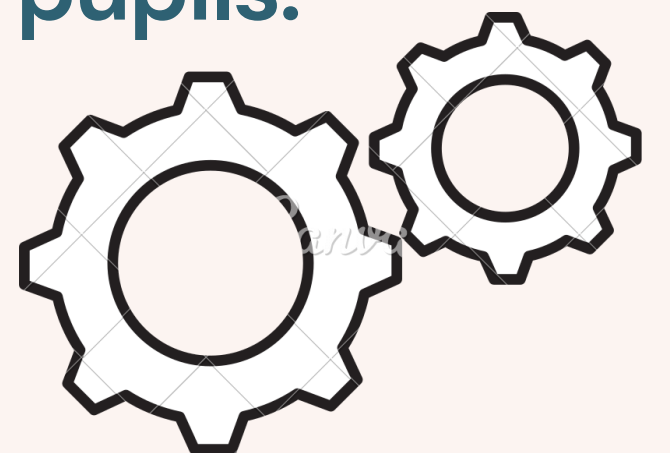

The classroom layout will be adapted

The areas of learning will be in operation but the environment will be set up to reduce the amount of time pupils will have face to face contact. Children will sanitise their hands before moving onto different areas of learning.

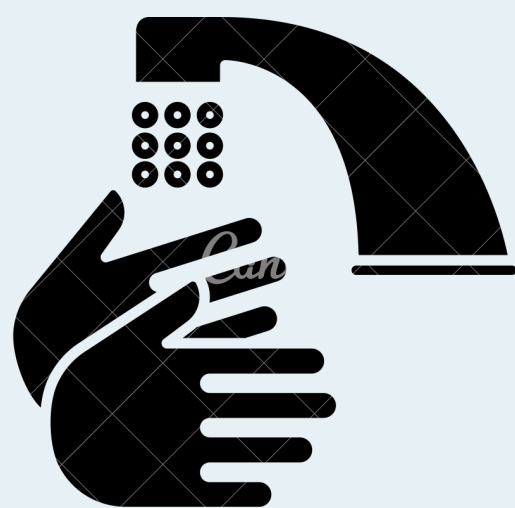

The curriculum will continued be adapted to meet the needs of pupils.

With a focus on developing and embedding effective learning behaviours aligned to the school values.

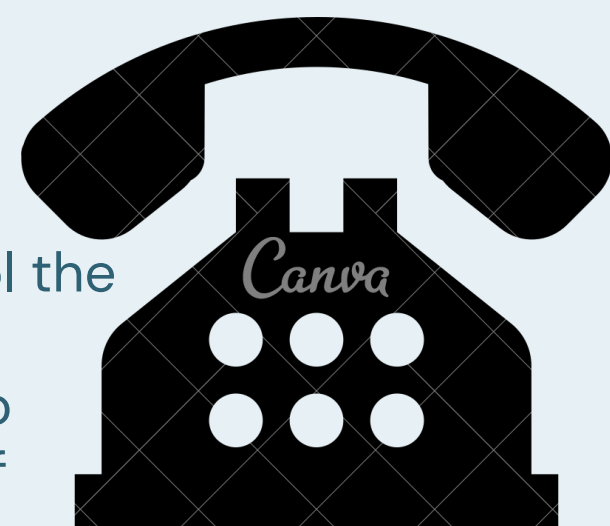

Cleaning and personal hygiene remains essential

Pupils and staff will continue to regularly wash and sanitise their hands. Regular touch surfaces will be cleaned throughout the school day.

Absences must be reported to the school office

If a pupil is not coming into school the absence must be reported to the school office after 8.00am and no later than 8.40am to a member of the office staff by contacting 0161 428 6180.

There are many more control measures in the school risk assessment which can be found on the Gatley Primary School website under the 'Covid-19 Information' tab on the options bar on the home page.
