Private and Confidential

24th March, 2023

To: The Staff and Children at Gatley Primary School

The King has asked me to thank you for your kind letter with which you enclosed the book you have written and illustrated.

His Majesty is most grateful to you for taking the trouble to write as you did, and he was particularly touched by your kind words of support, following the passing of Her Majesty The late Queen.

I am to convey The King's warmest thanks and very best wishes, along with enclosing a card from His Majesty.

Yours sincerely,
