

BUCKINGHAM PALACE

19th July, 2023

To: The Pupils and Staff
Gatley Primary School.

Thank you for your most thoughtful letter to His Majesty The King regarding the efforts your school has made to become more environmentally friendly.

The King was most pleased to learn about the new Green Club at Gatley Primary School, and its aim to inspire pupils to engage with environmental issues.

His Majesty is deeply committed to protecting the natural world. As Prince of Wales, he spoke passionately about the need to conserve the environment for future generations, recognising that everyone has a role to play in preventing climate change and biodiversity loss. As King, His Majesty continues to support and celebrate global efforts towards a more sustainable future.

The King would have me convey his warm good wishes to the staff and students of Gatley Primary School, and to thank you once again for taking the time to write as you did regarding this crucial matter.

Yours sincerely,

Head of Royal Correspondence
