

GMS Achievement Bulletin

January
2025

Dear Parents/Carers,

Welcome to the first George Mitchell School achievement bulletin!

Everyday the majority of our students strive to be the best they can be modelling our PRIDE values. This bulletin, which will be published and shared with parents/carers each month gives you an opportunity to celebrate your child's achievement. Last term culminated in our achievement assemblies where so many of students received the recognition the rightly deserved.

I look forward to seeing our talented students achieve further in the spring term and showing that "Everything we do, we do with PRIDE!"

Learning Leader Message

Last Term I was immensely proud of my Year 9 cohort. Their efforts and talents were really highlighted at our achievement assembly. We had over 100 certificates and badges to hand out with many students receiving more than one.

As we enter the spring term and the GCSE options process I know that some students will have tough choices to make.
