

At Gillibrand Primary School we take very seriously our responsibility to prepare children for life in modern Britain. We ensure that the fundamental British Values are introduced, discussed and lived out through the ethos and work of the school. All curriculum areas provide a vehicle for furthering understanding of these concepts and, in particular, our RE, SMSC, PSHE and Citizenship lessons provide excellent opportunities to deepen and develop understanding. Children embrace these concepts with enthusiasm and demonstrate a good understanding of their application to their own lives. The school makes considerable efforts to ensure our children have exposure to a wide experience beyond their local community during which these concepts are shown, through for example, sporting events, a range of visitors and visits

<b>Democracy</b>	The children at Gillibrand Primary see democracy borne out in a whole variety of ways and see this as being an essential component of successful team working. <b>Individual Liberty</b>	Our Values based discussions and acts of worship begin with discussion about the self, e.g. self-respect and self-worth in relation to the individual value so that children see that they are important in their own right. The philosophy of our teaching and learning places emphasis on the right to have our own thoughts and evidence based views. Children are strongly encouraged to develop independence in learning and to think for themselves.	Children are able to show independence in learning and to think for themselves. Children have access to a counsellor in school when they have difficulties with self-worth, self-respect and self-confidence.
