

## **We Nurture Children's Dreams**

*Gillibrand children aspire to leave a legacy in the world and make a difference to others. They push the boundaries of what is possible to be the best they can be. They are encouraged to explore their passions and interests. They embrace opportunities to follow their dreams with confidence and self-belief. They are courageous and persevere to fulfil their potential*

**Here at Gillibrand, we want to celebrate all our children's dreams, aspirations and passions! Here is a selection of the amazing successes our children have accomplished outside of school!**

Jack in Year 2 is one of Gillibrand's many talented footballers. Jack plays for Astley & Buckshaw Junior Football Team in the under 7's Mid Lancashire Colts Junior Football League. He plays as a striker and was recently given the accolade of 'Player of the Match' when he scored 5 of his team's 10 goals!

Amy in Year 5 is an aspiring actress and film maker! She attends Pauline Quirk Academy where she takes classes in musical theatre, film making, television, comedy and drama. She regularly wins awards and hopes to one day perform on the West End!

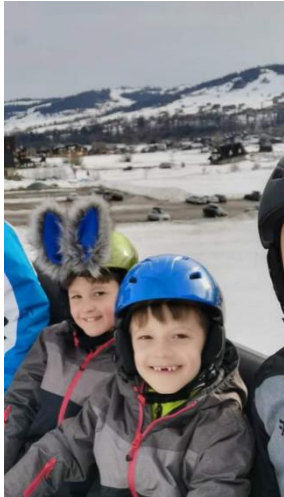

Maggie in Year 3 has a passion for playing tennis. She started playing when she turned 7 and plays every week. She has made lots of progress and was awarded 'Most Improved Player', which was presented to her by local MP Lyndsey Hoyle!

At the start of this year Bella in Year 5 wanted to start a new club outside of school. She enrolled into a Taekwondo club and has been going ever since. In May she had her first competition against other members of the club where she won a gold medals, 2 silver medals and a bronze medals. In August she 'graded' which is a practical exam to achieve your next colour belt. Bella passed this grading and has been given her orange tag belt with hopes to achieve her next belt by Christmas.

James in Reception class is learning how to swim! He attends swimming lessons every Saturday and he has just been awarded his 10 metre badge!

Olaf in Year 5 and Olek in Year 3 are passionate about skiing! They travel to Poland every year to ski and they spend hours on the slopes. Although they are still learning they are making fantastic progress, and they hope they will get better and better!

The Gillibrand Primary School Eco-Council have a passion for making the world a better place. They meet regularly with Miss Watson where they organise and plan ways they can help both their local and wider community become more aware of the part they can play in saving the planet! They have worked in teams and with other local schools to create a charter of what they can do.
