

GILLIBRAND

Primary School

Pupil Premium Strategy 2018-19

What is the Pupil Premium?

This is funding given to schools for every child who has free school meals. The government provides this funding because it believes there is a strong link between the financial background of families and their children's achievement.

The government provide funding for children

- who have been in receipt of free school meals (FSM) at any point in the last 6 years (£1320)
- who have been previously looked after, subject of a special guardianship order and/or adopted from care (£1.900)
- whose parents are currently serving in the armed forces (£300)

How does the school access the money?

School completes a census several times a year indicating how many children have free school meals. The funding is multiplied by the number of children.

How can I find out if my child is eligible for free school meals and the Pupil Premium?

Please ask at the office as we can answer your questions and help you apply for free school meals.

Can my child still benefit from the Pupil Premium even if they are on packed lunches?

If your family is eligible for free school meals but your child chooses to have packed lunches, school will still receive the Pupil Premium funding.

Will my child lose the Pupil Premium funding if they stop having free school meals?

No, the school continues to receive the funding for 6 years. If your child moves onto high school in that time, the high school would receive the continued funding. This is called EVER6 funding.

What is the Pupil Premium spent on?

Schools have the freedom to decide what the funding is spent on as different schools receive different amounts. The only criterion is that it impacts upon the achievement of those children and enables them to succeed in the same way as other children. Ofsted will check on the impact of the funding on the progress of these children. Gillibrand Primary School is committed to providing effective resources and ensuring vital support is in place for our disadvantaged children to improve their academic outcomes.

The main barriers to educational achievement faced by eligible pupils in our school

The main barriers to educational achievement that the disadvantaged children in our school face include the following possibilities:

- Low income
- Unsettled family arrangements
- Inappropriate or inadequate housing
- Emotional well-being of family member
- Parents may not have had a successful or enjoyable education
- Safeguarding concerns
- Attendance and/or lateness

Amount of Funding Received 2018-2019

In 2018/19 Gillibrand Primary School received a total of **£59,940** which was in addition to the main school funding.

This funding has been used to support all the children in school

How the pupil premium money has been allocated 2018/2019

- School counsellor 1 day a week to provide support to children in need in school.(£7,200)
 - Some 1 to 1 support from TA -afternoons (£5,700)
 - Additional hours for TA to support mornings (From September 2018) £5,756
 - Specialist teacher employed 1 day a week to support staff, children and carry out some assessments (£9,720)
 - Teaching Assistant level 3 intervention support across school every afternoon.(£8,100)
 - Additional enrichment activities including piano tuition (£1,500)
 - Trips and extra-curricular activity support (£4,000)
 - Mentor support from TA to work 1 to 1 with targeted children (£2,800)
 - Employed additional welfare assistant from September 2018 to provide some support for vulnerable pupils (£1,280)
 - TA level 2 to work over lunchtime from September to provide additional support for vulnerable pupils.(1,652)
 - Employed a Pupil and Family Support Worker from September 2018 to support vulnerable children and families in school (£11,000)
 - Purchase items of school uniform. (£560)
 - Purchase additional resources to support learning (£2,000)
- Total amount spent= £61,268

How we will measure the impact

All teachers and teaching assistants at Gillibrand work together to provide support and monitor impact for the children eligible for the pupil premium grant. Activities, provision and intervention is planned for and evaluated by these staff, who monitor the children's progress in regular KS meetings. The progress of pupils eligible for PPG is tracked and measured through our whole school data tracking system and then in 'pupil progress meetings', areas across the curriculum are identified where there may be a need for additional support or interventions to ensure that pupils make at least expected progress.

Impact on Achievement July 2019

Early years foundation stage

Percentage of children achieving a good level of development(GLD)	School 2019	Lancashire	National-2018
	71.4%		72%

Comments: 2 children are entitled to FSM. One achieved a GLD.

Year 1 Phonics

	Number of pupils	School	Lancashire	National-2018
Percentage of children achieving expected level- all children	29	93%		82%
Percentage of PP children achieving expected level	4	75% (3 children)		

Comments: Care must be taken when analysing small numbers of pupils.

End of key stage 1

Attainment

	Number of pupils	Met expected standards In reading.	Met expected standards In writing.	Met expected standards In mathematics.
Percentage of children achieving expected level- all children	30	80%	83%	83%

Percentage of children achieving expected level-PP children Care must be taken when analysing small numbers of pupils.	6	28% (2)	28% (2)	50% (3)
Progress		1 child is SEND and receives support from an outside agency.3 children have a targeted provision maps and have made progress from their starting points		

End of key stage 2		Attainment		
	Number of pupils	Met expected standards In reading.	Met expected standards In writing.	Met expected standards In mathematics.
Percentage of children achieving expected level-all children	30	77%	83%	70%
Percentage of children achieving expected level-PP children	7	43% (3)	86%	43%
Comments		2 children achieved greater depth in reading. 1 child achieved greater depth in maths 1 child achieved greater depth in writing		

Date of Review: July 2019 and September 2019
