

Our Play Rules

OPAL play is all about having fun, being creative, and playing your own way. To help everyone stay safe and happy, we follow 3 simple rules. These rules are easy to remember and help us play kindly and safely together.

READY

We are ready to have fun by including others and taking turns, and wearing our wellies and waterproofs so we can play in all weather!

RESPECT

We listen, share, and look after our playground and everything in it.

SAFE

We check if it's safe, ask for help if needed, and make smart choices.
