YEAR 1 DRAMA WORKSHOP
WEEK BEGINNING 9TH FEBRUARY 2026

As a fun end to the Year 1 history topic on Toys, we have booked a drama workshop for each class to take place one morning during week beginning 9th February.

Perform For Schools have been in school many times before, and the children always have massive amounts of fun, while at the same time embedding and sharing the information that they have learned about their topic this half term.

This not to be missed morning will see an actor, who appears in character, guide the children through a magical and imaginative experience. They will be stepping into Mrs Tuppence's magical toy shop, where teddies, trains, dolls, and puppets come alive at midnight! But disaster looms, and Peyton Pixel wants to shut it down. Only children can help the toys prove their magic and save the shop.

Along the way, children compare toys past and present- from clockwork wonders to digital delights- discovering how materials, mechanisms and play have changed through time.

There is no charge for this workshop, but we do sometimes get asked if there is a way for parents to make an extra contribution towards the cost of trips/events/workshops. Parents who wish to kindly do this can go to Store > Year 1 trip donations 2026 in MCAS.

On the day children should come to school in normal uniform and the workshop takes place in school during the day.

Yours sincerely
