Drawing- Exploring Line and Shape

## What should I already know?

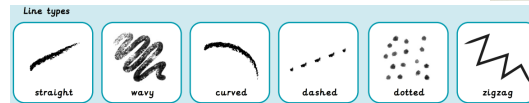

I have used a variety of drawing media and paint to make marks and create my own pictures.

## Vocabulary

artist	A person who creates pictures, paintings and sculptures.
control	The way a drawing material is held.
line	A mark that can be long, short, thin or thick, and can help make shapes.
pressure	The force used on a material when drawing.
shape	The outline of an object
connect	To join something together.
organic	An irregular shape without a name, often found in nature.
portrait	A painting or drawing or photo of the head and shoulders.

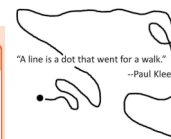

### 1. Can I use control and pressure to create different types of lines?

Bridget Riley makes pictures that can trick your eyes!

**Sticky Knowledge** Different types of lines can be created including straight, wavy, curved, dashed, dotted and zigzag.

### 2. Can I draw different lines in response to music?

**Sticky Knowledge** Pressure, control and drawing materials can be changed in response to music.

### 3. What happens if I connect lines?

Organic shapes are not regular and don't have a name.

Different types of lines can be used to complete and create shapes.

**Sticky Knowledge** Lines can be connected to create shapes. These shapes may be organic.

### 4. How can shapes help to make drawings?

Paul Klee's work is full of lines and shapes

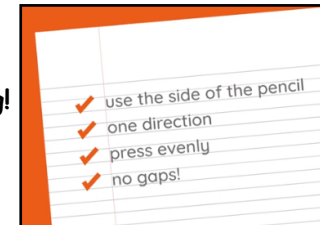

Shapes can be found all around us in different objects., even faces

**Sticky Knowledge** Basic shapes can be used to draw a portrait. A portrait is a picture of a person's head and shoulders.

### 5. Can colour be added in different ways?

Top tips for even colouring!

**Sticky Knowledge** Changing the pressure (how hard I press) can make a colour lighter or darker.

### 6. Can I use my line and shape skills to create artist-inspired artwork?

Brianna McCarthy's work

What will my work look like?

**Sticky Knowledge** Brianna McCarthy is an artist who used line, shape and colour.
