

Dear Parent/Carer,

Year 2 - 'Growing and Changing' Relationships and Sex Education unit

Promoting the health and well-being of our pupils is an important part of children's overall education. We do this through our Personal, Social and Health Education (PSHE) curriculum. This looks at many topics including physical and emotional health, all kinds of relationships, and living in the wider world.

In the next few weeks, our school will be focusing on part of our SCARF PSHE scheme to deliver some of the relationships and sex education (RSE) aspect of our PSHE programme to Year 2 children. It became a legal requirement in September 2020 for relationships and sex education to be taught across the school, in an age- and developmentally appropriate way. The design of the programme has taken into account the requirements of the statutory guidance, up-to-date best practice guidance, and the needs of our children.

Your Year 2 child will be exploring themes including 'My Body, Your Body' and 'Respecting Privacy'. During these lessons, correct vocabulary will be taught and shared with your child. This includes the scientific vocabulary of penis, vulva, vagina, nipples, testicles, breasts, breast feeding, anus, ovaries and scrotum that will be used to label body parts. These scientific names are used across all years, so that children are able to express themselves clearly when talking about these body parts. We also discuss the purpose and role of the body parts i.e. that girls store their eggs in the ovaries that help grow a baby and once they have been growing for 9 months a baby can leave the womb through the vagina.

We recognise that parents and carers play a vital part in their child's RSE, and we encourage you to use this vocabulary with your child at home as well. If further advice/support is required or you have any questions about the programme, please do not hesitate to speak to your child's class teacher or the Headteacher.

If after reading this letter you have any questions about the programme, please do not hesitate to contact the school.

Yours Sincerely

Miss Beckett and the Year 2 team.
