1. Vision and Values

At Godley Community Primary School, we are committed to providing an inclusive environment where all pupils, staff, parents and visitors are valued and supported. We believe that every child has the right to access a broad, balanced and ambitious curriculum and to participate fully in all aspects of school life.

In accordance with the Equality Act 2010, we aim to remove barriers to learning and participation for disabled pupils and to make reasonable adjustments to ensure equality of opportunity.

This plan supports the school's Equality Objectives, SEND Information Report, SEND Policy and Health and Safety policies.

2. Aims of the Accessibility Plan

The school will continue to:

1. Increase access to the curriculum for pupils with disabilities and additional needs.
 2. Improve and maintain access to the physical environment.
 3. Improve the delivery of information to pupils, parents, carers and visitors with disabilities.
-

3. Definition of Disability

Under the Equality Act 2010, a person is considered disabled if they have a physical or mental impairment which has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities.

4. Contextual Information

Godley Community Primary School is an inclusive mainstream primary school committed to meeting the needs of all learners. The school supports children with a range of special educational needs and disabilities, including:

- Communication and interaction needs
- Cognition and learning difficulties
- Social, emotional and mental health needs
- Sensory and physical needs
- Medical needs requiring reasonable adjustments

The school works collaboratively with parents, the local authority and external agencies to ensure appropriate support is provided for pupils with identified needs.

Accessibility considerations are incorporated into school improvement planning, premises development and curriculum design. The school recognises that accessibility is an ongoing process and will continue to review provision in response to the changing needs of pupils, staff and visitors.

5. Current Good Practice

The school already:

- Provides a broad and balanced curriculum which is adapted to meet the needs of individual learners.
- Uses a graduated approach to SEND support.
- Seeks advice from specialist teachers, educational psychologists, health professionals and other agencies when required.
- Makes reasonable adjustments for disabled pupils.
- Provides staff training to support inclusive practice.

- Ensures educational visits and enrichment opportunities are accessible wherever possible.
- Consults with parents and pupils regarding support arrangements.
- Provides information in alternative formats where required.

7. Monitoring and Review

The Accessibility Plan will be monitored annually by the Headteacher, SENDCo and Governing Body.

Progress towards actions will be evaluated through:

- Learning walks and monitoring activities
- Pupil progress data
- Feedback from pupils and parents
- Site inspections and risk assessments
- Governor monitoring

The plan will be formally reviewed every three years, or sooner if significant changes occur within the school environment or pupil population.
