Sports Premium Review 2025-2026

Godley Community Primary Academy

1. Review of 2025-2026 spending and key achievements

Activity / action	Evidence of impact	Review / next step
Broaden pupils' experience of sport and physical activity, including Sports Week, the Daily Mile and coached PE.	Pupils experienced basketball, athletics and cross-country. Key Stage 2 pupils joined athletics clubs following this provision.	Continue broad provision and monitor participation by pupil group.
Provide structured lunchtime sport and train Year 6 play leaders.	Year 6 play leaders supported activities across key stages. The report records improved lunchtime behaviour and improved readiness for learning after lunch.	Continue provision and retain training and participation records.
Provide Year 4 swimming lessons with qualified teachers and transport.	Weekly transport increased available lesson time. Non-swimmers developed basic skills and pupils improved strokes towards the National Curriculum requirements.	Continue to prioritise safe self-rescue and record outcomes against all three requirements.
Purchase safe, suitable and age-appropriate PE resources.	Resources supported curriculum PE and structured lunchtime activity.	Audit and replenish equipment when required.
Promote health and fitness through Healthy Week and Freddy Fit.	All pupils and staff took part in physical activity. Pupils learned about food groups and families were invited to a before-school workout.	Repeat provision and gather participation and pupil voice evidence.
Promote healthy lifestyles through workshops and external specialists.	Pupils accessed activities including yoga and healthy-food preparation.	Link future activity to measurable intended outcomes.
Introduce pupils to different sports and aspirational role models.	The Ella Toone Academy worked with pupils to encourage girls' participation in football.	Continue and monitor take-up by girls and other identified groups.
Provide a sport or health-related post-SATs activity for Year 6.	Year 6 pupils attended a bowling session, recorded as supporting wellbeing after SATs.	Ensure future activity is clearly linked to the premium's permitted outcomes.
Increase access to competitions and sporting opportunities.	Pupils attended events including cross-country. Transport removed a stated barrier to attendance.	Track entries, participation and representation by pupil group.
Deliver a competitive whole-school sports day.	Sports Day was organised, and medals were purchased. Families and friends were invited	Record participation and evaluate accessibility for all pupils.
