

Godley Community Primary Academy SEND (Special Educational Needs and Disabilities) information report 2024 – 2025

<p>What types of SEN do we provide for?</p>	<ul style="list-style-type: none"> • Godley Primary Academy is a successful, thriving and happy academy, which aims to “deliver excellence in a happy and nurturing learning environment” it, is our belief that every child is an individual who can grow and excel; inclusion and equality are at the core of all we do. In order to achieve this, many steps are taken to support children through their learning journey. Godley Primary Community Academy ensure all groups of children, regardless of their specific needs make the best possible progress in school and are fully prepared to achieve the next goals in their learning journey. We believe in a fully inclusive environment where the needs of the children with special educational needs in any of the areas of need or disabilities are met within the mainstream setting where appropriate and possible. We aim to address children’s needs and support their development in the most appropriate way possible and celebrate effort as much as achievement. Additional and/or different provision is currently being made in school for children with a range of needs within the four areas of need; Communication and Interaction, Cognition and Learning, Social, Emotional and Mental Emotional Health and Sensory and/or Physical.
<p>How do we identify and assess pupils with SEN?</p>	<p>Our school’s Assessment Policy outlines the range of assessments regularly used throughout the school. Additional and different assessment tools may be required when children are making less than expected progress, which can be characterised by progress which:</p> <ul style="list-style-type: none"> - is significantly slower than that of their peers starting from the same baseline. - fails to match or better the child’s previous rate of progress. - fails to close the attainment gap between the child and their peers. - widens the attainment gap.
<p>How do we assess and review pupils’ progress towards their outcomes?</p>	<p>Progress in areas other than attainment is also considered. Each child is discussed every half term in pupil progress meetings. Additional termly meetings form a cycle of consultation, based on the plan- do- review model takes place. These meetings are also an opportunity to decide whether there needs to be an involvement/referral with specialist advice. School commissions the services of the Academy SEND (Special Educational needs and disabilities) consultant team, an independent Educational Psychologist or advisory teacher.</p> <p>Parents/carers are always informed if school staff consider that their child has an additional need and parents/carers and children (as appropriate depending upon age and capability) are involved in the planning to meet the need. We often recommend initially that eyesight and hearing are checked to disregard these aspects as possible underlying causes of learning issues. When a teacher has a concern they would raise this with the parents/ carers and place on cycle 1 of the graduated approach. After a term or sooner if required, if needs are not met the SENDCO would become involved and the child may be placed on the SEND register. When children are assessed by the SENDCo (Special Educational Needs and Disabilities Coordinator) or by external agencies, meetings take place with the parents/carers and the class teacher to discuss the findings and how best to address need and meet targets.</p> <p>Godley Primary Academy will, in consultation with the child’s parents, request a statutory assessment of SEND where a child’s needs cannot be met through the resources normally available within the school. This will result in an Education Healthcare Plan (EHCP). The school will meet its duty to respond to any request of information relating to a statutory assessment, to the local authority, within six weeks of receipt. An Annual Review is held for children holding Education Health Care Plans and interim reviews can also be arranged throughout the year if deemed necessary.</p> <p>Further information relating to identification and assessment of children with SEND can be found in our SEN Policy document, on our school website https://godleyprimary.co.uk/important-information/send</p>

<p>How do we evaluate the effectiveness of our SEND provision?</p>	<p>Children's progress is tracked by the teacher and monitored by the SENDCo. The SENDCo monitors their progress and discusses regularly with the IIPL (Inclusion and Intervention Project Lead) and class teachers. Progress of slow movers is also monitored. Records are kept to show the children's behaviour, attainment and achievement at the beginning and end of an intervention.</p>
<p>Who is our special educational needs coordinator (SENDCO) and how can they be contacted?</p>	<p>Helen Linder (SENDCO) can be contacted on 0161 368 3162 or h.linder@godleyprimary.co.uk</p>
<p>What are our admission arrangements for disabled pupils?</p>	<p>Admissions to our school are managed by Tameside Council https://www.tameside.gov.uk/admissions/AdmissionArrangementsforPrimaryAcademies2023-24</p> <p>Information on admission to Enquire Learning Trust Academies can be found at; https://godleyprimary.co.uk/important-information/admission-arrangements</p> <p>Our accessibility policy is also available on our SEND page on the school website https://godleyprimary.co.uk/important-information/send</p>
<p>What is our approach to teaching pupils with SEN?</p>	<p>The aim of our school is to enable each child to be all that they can be. We work in partnership with all our families and external agencies where appropriate to make high aspirations a reality for every child, taking specific action to create effective learning environments, secure children's motivation and concentration, provide equality of opportunity, and use appropriate assessments and set suitable targets for learning.</p> <p>Quality first teaching takes place in all classrooms with the setting of high expectations and the provision of opportunities for all to achieve; the impact of this is apparent in the results obtained in national tests at the close of each key stage – information relating to results obtained over recent years is available on the website.</p> <p>All teachers are teachers of children with SEND</p> <ul style="list-style-type: none"> • A continuous cycle of planning, teaching and assessing is firmly embedded, which takes account of the wide range of abilities, aptitudes and interests of our children; the majority of our children will learn and progress within these arrangements.

	<ul style="list-style-type: none"> • Children with SEND will receive support that is additional to or different from the provision made for other children. All our teachers take account of a child's SEN in planning and assessment; they provide appropriate support for communication, language and English and Maths needs. They plan to enable children to take full part in learning, physical and practical activities; they help children to manage their behaviour and emotions in order to take part in learning effectively and safely. • At Godley, we aim to identify children with particular needs as early as possible; assessment of need may include observation of children's social skills and learning experiences in all curriculum areas, specific assessment by the school's SENDCo, teacher assessment and use of assessments which will enable peer group comparisons to be made. • In completing assessments to consider the whole child. Children who speak English as a second language may also require additional support and differentiation of the curriculum. • We acknowledge that not all children with disabilities necessarily have special educational needs. All our teachers take action however, to ensure that children with disabilities are able to participate as fully as possible in the school curriculum and statutory assessment arrangements. Potential areas of difficulty are identified and assessed at the outset. Teachers plan enough time for the satisfactory completion of tasks; plan opportunities, where required, for the development of skills in practical aspects of the curriculum.
<p>How do we adapt the curriculum and learning environment?</p>	<p>The Godley Primary Academy curriculum has been designed with the children at the centre of their own learning. The curriculum is scaffolded and differentiated to meet the needs of all our children.</p> <ul style="list-style-type: none"> • Differentiation • Flexible groupings (e.g. small group, 1:1, ability, and peer partners). • Content of the lesson. • Teaching style (taking into account that children may be visual, auditory or kinaesthetic learners). • Lesson format (e.g. thematic games, simulations, role-play, discovery learning). • Pace of the lesson. • Provision of alternative recording methods (e.g. scribing, use of ICT, mind mapping, photographs, ICT etc.). • Outcomes expected from individual children. (E.g. success criteria). • Resources used. (E.g. use of pencil grips, fiddle toys, wedge cushion or posture pack). • Support level provided. • Provision of alternative location for completion of work. <p>School always acts upon advice received from external agencies. We endeavour to ensure that all class- rooms are dyslexia and ASC (Autism Spectrum Condition) friendly.</p>
<p>How do we enable pupils with SEN to engage in</p>	<p>All extra-curricular activities are available to all our children.</p>

<p>activities with other pupils who do not have SEN?</p>	<p>Before and after school care is available to all our children.</p> <p>School trips and all the residential trips are available to all children.</p> <p>We involve children with SEND to have positions of responsibility, eg play leaders, school council, eco committee members and mentors.</p> <p>We use flexible groupings throughout our teaching.</p>
<p>How do we consult parents of pupils with SEN and involve them in their child's education?</p>	<p>Throughout the year there are Parents' Evenings and an end of year annual report to parents; Parents of children on the SEN register are invited to review their child's progress on a termly basis – these plans are evaluated with parents and recommendations for new targets discussed alongside suggestions for supporting their child in the home setting.</p> <p>We have an 'open door' policy; the SENDCo is easily contactable via telephone, e-mail or Class Dojo. Parents may be invited into school to discuss their child's progress at any time and additional meetings are set up as required or as requested by parents to discuss particular aspects of a child's SEN; we particularly welcome information from parents about how their child learns best in order that it can be shared with those people who teach the child. Progress and outcomes are also discussed with our Educational Psychologist or Advisory Teacher as required; parents are given a report and discussion takes place regarding the outcomes of any EP/AT assessments/observations; progress and outcomes of assessments by other external agencies may also be discussed with parents at consultation meetings. The progress of children holding an Education Health and Care Plan (EHCP) are discussed at their annual review (interim reviews may also be called as necessary). At Y5 annual reviews transition to high school is considered with discussion involving parents and the LA. At Y6, annual reviews the SENDCO of the receiving high school are usually invited to attend.</p>
<p>How do we support pupils with SEN to improve their emotional and social development?</p>	<ul style="list-style-type: none"> • Specialist advice from our Educational Psychologist, Enquire Learning trust SEMH (Social Emotional and Mental Health) collaborative • Specialist advice from colleagues at HYM (Healthy Young Minds) and TSOSS (Tameside Specialist Outreach Support Service). • We have two IILP, providing 1:1 sessions and group work. • We would sign post parents to other support in the community eg MIND, parenting courses, organizations in the Tameside Services Directory. • We would listen to the child and their voice, whether verbal or non-verbal.
<p>What expertise and training do our staff have to support pupils with SEN?</p>	<ul style="list-style-type: none"> • Our SENDCo has over 10 years' experience in this role. • She has 1 morning each week to manage SEND in the school. Time is also given as required for training or meetings. • Teaching Assistants (TA's) are trained to deliver a range of interventions. Our team of teaching assistants have extensive experience and training in working with SEND children. They meet with the SENDCo to discuss pupils who may need specialist support. • Three members of staff are trained as paediatric First Aiders. All other staff have been first aid trained. • Two Inclusion and Intervention Project leads, have extensive experience and training in working with SEND children.

	<ul style="list-style-type: none"> • All staff are trained each year on the needs of students within our school- this includes training from specialist agencies, health agencies or consultants, as well as from our SENDCo or other staff with relevant expertise. SEND training forms part of the continuing professional development of all teachers and TAs and is organised in accordance with the needs of the students. • Any paperwork that would help staff support any child is shared electronically with the relevant staff. • General support and advice from SENDCO – e.g. with regard to the implementation of specific programmes, creation and monitoring of targets, tracking of children with SEN particular support is given to all staff routinely and as required. • Our Special Educational Needs Co-ordinator attends “Special Educational Needs Co-ordinator Cluster Meetings” locally and within “The Enquire Learning Trust” throughout the year. Affording an opportunity to discuss special educational needs issues with colleagues in other schools and disseminate information regarding current practice to colleagues in our school. • Regular contact with our Applied Psychologies EP, their other specialist services and access to Tameside EP services • At the close of each school year teachers hold meetings with the class’s next teacher to discuss SEN information in preparation for the following year. • The SENDCO meets with the SLT regularly to review and plan the training, guidance and advice that staff across the school need to ensure they meet the additional learning requirements of our children. Our SENDCO organises training on a needs basis and also staff may request specific training. • The SENDCO/ Inclusion lead has the National Award for SEN Coordination. • During the course of the year all staff receive SEN training in relevant areas.
<p>How will we secure equipment and facilities to support pupils with SEN?</p>	<ul style="list-style-type: none"> • Through discussion with specialist agencies involved, including SALT (Speech and Language Therapy), EP, EHCP, HI teacher advice. • Through discussion with parents. • Through discussion with our SLT (Senior Leadership Team). • Equipment and facilities to support children with SEND are non-negotiable at our school; whatever our children with SEN require, within reason they get e.g. an area of quiet retreat for a child with a diagnosis of ASC (Autism Spectrum Condition); provision of equipment e.g. sensory support. • Auxiliary aids would be provided if deemed necessary through liaison with the relevant professionals. • Additional time and support is applied for during end of key stage assessments for children with additional needs.

<p>How do we involve other organisations in meeting the needs of pupils with SEN and supporting their families?</p>	<ul style="list-style-type: none"> • External support services play an important part in helping school identify, assess and make provision for pupils with special educational needs. Our school receives regular visits from an Educational Psychologist. Who assesses children who we have identified but also observes other children we have concerns about, providing school with recommendations. In addition, school may seek advice from specialist advisory teachers from Tameside Specialist Outreach Support Service, from expertise in Enquire Learning Trust (ELT) and other ELT schools. • The speech and language therapy and occupational therapy services (NHS) involved in individual children support school in the implementation of specific programmes and contribute to the monitoring of progress and reviews of children. • School maintains links with child health services, children’s social care and education welfare to ensure that all relevant information is considered when making provision for our children with SEND. • The Local Authority’s CAF procedures (including Early Help support) are adhered to by school whereby help and support is offered to children and families when low level issues emerge and before problems escalate. “Team around the Child “and “Team around the school “meetings engaging appropriate agencies to ensure positive outcomes for the children and their families.
<p>How do we support pupils between phases of education?</p>	<ul style="list-style-type: none"> • We share information with the next class teachers at the end of the year, we all visit our new classes and additional visits are organised if needed. • The SENDCo will arrange additional meetings with staff and other professionals and parents if needed. • We liaise with other settings for nursery, reception admissions and Y6 Transitions • We provide additional support for pupils who we recognise may need it, through the IIPL and class teacher. • Sessions with outside agencies are arranged for ASC and other children who are anxious. • We liaise with high schools sharing information and arranging additional visits if needed
<p>How do we handle complaints from parents of children with SEN about provision made at the school?</p>	<p>It is in everyone’s interests for complaints to be resolved as quickly as possible. If you have a complaint it should be made to the headteacher, who will refer you to our complaints procedure, this is available on https://godleyprimary.co.uk/important-information/policies-documents</p> <p>There is also further information about how to do this in our SEND policy.</p>
<p>Who can young people and parents contact if they have concerns?</p>	<p>SEN Team Tameside - Tameside Council Offices. Shirley House. 5 Oldham Street. Hyde. SK14 1LJ. 0161 342 3805</p> <p>SENDIASS - Tameside Special Educational Needs and Disability (SEND) Information Advice and Support (IAS) Service - the service provide information, advice and support to children and young people with SEND and their parents. They aim to develop partnerships between children, parents, local authority, schools and other partners who are involved in working to identify, assess and meet the needs of children and young people. They also offer mediation services if required.</p>

	<p>SENDIASS - Together Trust Special Educational Needs and Disabilities Information Advice and Support Service (SENDIASS). Telephone: 0161 359 8005 Email: tamesidesendiass@togethertrust.org.uk Post: SENDIASS Service, Newbridge Centre, Cromer Street, Stockport, Cheshire, SK1 2NY</p>
<p>What support services are available to parents?</p>	<p>OKE - Offering support, information and activities to families with special needs children in Tameside and the surrounding area. www.ourkidseyes.org 0161 371 2084/2087 Email: ourkidseyes@ourkidseyes.org</p> <p>TASCA Tameside Action for Social Communication & Autism Support Group</p> <p>TASCA is a parent run support group for families with children who have Autistic Spectrum Disorder and communication difficulties in the Tameside area. www.Tascatameside.com</p> <p>Youth in Mind The Hive is a mental health and wellbeing hub for children and young people aged 8-18 in Tameside and Glossop. They offer a variety of support for children and young people struggling with low level mental health issues or in need of wellbeing support. https://www.togmind.org/youth-in-mind/community-hive 0161 3309223</p>
<p>How do we support children that are Looked after by the Local Authority and who also have SEN?</p>	<p>The SENCO liaise closely with the teacher responsible for supporting looked after children and the class teachers to ensure the correct support is in place.</p>
<p>Where can the LA's local offer be found?</p>	<p>The Local Authority's Local Offer can be found at: http://www.tameside.gov.uk/localoffer</p>

This report will be updated annually or as soon as possible if any information changes.
