

Nursery News Letter

Welcome back to the Summer term

We hope you had an enjoyable Easter holiday, and a Happy Eid Mubarak too!
We are looking forward to the next half term and the exciting things we are going to learn about.

Phonics and English

This half term we will be continuing to recognise our names. We will be continuing to get ready to read and know that print has meaning. We are continuing to recognise and name letters that they see and hear in the nursery and around school. We will be listening carefully to sounds, identifying them and copying them. We will be blending and segmenting sounds together to make words. We will be starting to think about letters and sounds and use them in our writing and name writing. We will be continuing to improve our pencil control.

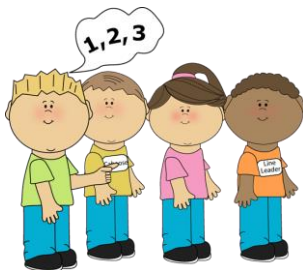

We will be continuing to practise writing letters in our work and in our names. We will be writing about the seaside.

When reading we will be continuing to recognise that we read from left to write and top to bottom on a page. We will be talking about the events in stories and predicting the end of them. As well as joining in with repetitive language and familiar stories and rhymes.

We will be sending books home for you to share with your child. We will be sequencing a simple familiar story, using language from familiar stories in role play. Children will recognise some letters of the alphabet by sound on sight and blend CVC words orally.

We will be beginning to develop an opinion on stories and events, say when they agree or disagree with someone else. Children will hold a back and forth conversation and use talk to organise themselves and their play.

Maths

In maths we will be recognising the concept of zero and the numeral, comparing groups of numbers from 1 to 5 and identifying pairs of numbers that make 5.

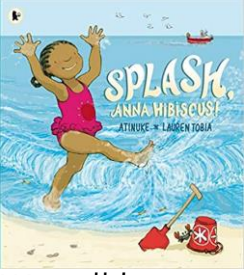

Also we will be experimenting with symbols and marks as well as numerals.

Children will be using spatial awareness and can manipulate shapes to make pictures and match them to other objects. They will using spatial awareness to complete jigsaws and talk about how they fit together - understanding position through words alone.

Children will be selecting 2D/3D shapes appropriately to make models and talk about them. They will use some shape names and begin to describe a sequence of events, real or fictional.

★ Topic

★ We will be starting a new topic “The Seaside” and reading the book Anna Hibiscus Splash by Atinuke. We will be learning about the seaside, holidays and different places around the world.

★ Homework Books;

★ This half term your child will be given a book to share with you at home.

★ Please continue to check Class Dojo for any homework tasks.

★ Please check your children’s names are still visible in their clothing.

★ Please can you ensure that your child is wearing sun cream on warm days and brings a hat to school.

★ Important date

★ Our Golden Assembly is on 28.6.23 at 9 am. You are very welcome to come and watch and stay behind for refreshments.

★ Key Dates

★ Dates we are not in school

★ Thursday 2nd May and Monday 6th May

★ Thank you for all your support.

★ Kind Regards

★ Mrs Linder Miss Akhtar Mrs Constantine
