

Nursery News Letter

Welcome back to the Summer term

We hope you had an enjoyable Easter holiday.

We are looking forward to the next half term and the exciting things we are going to learn about.

Phonics and English

This half term we will be continuing to recognise letters and beginning to recognise words, knowing that print has meaning. We are continuing to recognise and name letters that they see and hear in the nursery and around school. We will be listening carefully to sounds, identifying them and copying them. We will be blending sounds together to make words. We will be starting to think about letters and sounds and use them in our writing and name writing. We will be continuing to improve our pencil control.

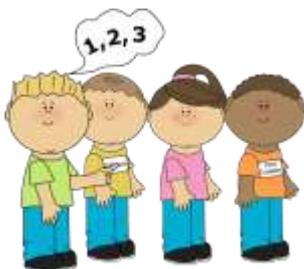

We will be continuing to practice our writing letters in our work and in our names. We will be writing about emergencies and labelling vehicles

When reading we will be continuing to recognise that we read from left to write and top to bottom on a page. We will be talking about the events in stories and predicting the end of them. As well as joining in with repetitive language and familiar stories and rhymes.

We will be sending books home for you to share with your child. We will be sequencing a simple familiar story, using language from familiar stories in role play. Recognises some letters of the alphabet by sound on sight and blending CVC words orally.

We will be beginning to develop an opinion on stories and events, say when they agree or disagree with someone else. Hold a back and forth conversation and use talk to organise themselves and their play.

Maths

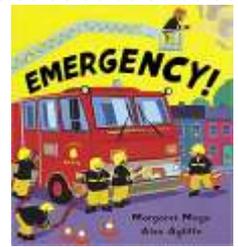

In maths we will be recognising the concept of Zero and the numeral, comparing groups of numbers from 1 to 5, knows pairs of numbers that make 5.

Also we will be experimenting with their own symbols and marks as well as numerals.

Using spatial awareness and can manipulate shapes to make pictures and match them to other objects, using spatial awareness to complete jigsaws and talk about how they fit together. Understanding position through words alone.

Selecting 2d/3d shapes appropriately to make models and talk about them use some shape names and begins to describe a sequence of events, real or fictional.

Topic

We will be starting a topic called "People who help us!" and reading the book Emergency by Margaret Mayo.

Where we will be learning about different jobs, who can help us and how and different vehicles and their uses.

If any parents or grandparents would like to come in to school to talk about their jobs, they are very welcome, please send me a dojo. Thank you

Homework Books;

This half term your child will be given a book to share with you at home, please discuss it and write a comment on the sheet in their folder.

Please check your children's names are still visible in their clothing.

Please can you ensure that your child is wearing sun cream on warm days and brings a hat to school.

Important date

Our Golden Assembly is on 15.7.22 at 9 am. You are very welcome to come and watch and stay behind for refreshments.

Thank you for all your support.

Kind Regards

Mrs Linder Miss Ainscough Mrs Constantine
