Faith, Love and Learning

07 June 2024

Dear Parent/Carer

Update on Mrs Jee

We would like to take this opportunity to update you on Mrs Jee's progress, as she is keen for you to know how she is doing.

She has recently completed 35 days of daily chemo as an in-patient at Worthing. She was then advised, unfortunately, that although they expected her to be in remission she was still showing 1% of leukaemia in her system. The doctors advised there was no reason to carry on the second stage of chemo as this would not now make any difference and took advice from specialists as to next steps.

Mrs Jee has been put onto a different chemotherapy drug which cannot be administered in Worthing and is now in Kings College, London for 5 days, starting a more targeted treatment. Initial signs are that this is much more tolerable – which she is very grateful for. She is due to come home this weekend and will then need to go to London for two days each week to continue this treatment.

Please pray for Mrs Jee as she gets used to this new treatment, that she continues to tolerate this drug and that she is very quickly in remission. She has consistently spoken of your generosity and love towards her and she is extremely grateful to be part of the Goring school family.

Health and safety Issues when exiting the school grounds

It has come to our attention that some children have been riding their scooters and bikes, having collected them from the Key Stage 2 bike shed. We have reiterated to the children that they should not be riding bikes or scooters anywhere on the school grounds at any time. This week an adult carer was knocked to the ground on the path leading to the Key Stage 2 exit by a child riding their scooter. Please do speak to your child/ren, particularly if they leave school unsupervised, to reinforce this important safety rule.

I would also like to remind parents to exit the school grounds promptly once their child has been collected. The one-way system for parents collecting their children from the Key Stage 1 playground should be respected at all times. For their own safety and the safety of others, children should not play on the play trails or on the field after 3.20pm.

Many thanks for your ongoing support in these matters.

Yours sincerely

Mrs F Whittaker

Headteacher Mrs C Jee
