Our 2025 Vision

- **as a community demonstrates love and respect for all of God's creation.**
- **provides an exciting, broad and ambitious curriculum that equips learners for the future.**

Aims

The School Uniform Policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in a way that is appropriate for school and makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons or if they are experiencing discomfort related to their sex, gender or gender reassignment
- Allow pupils to wear headscarves and/or other religious garments
- Allow pupils with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs
- Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents/carers to get in touch with the school's Headteacher, Inclusion Lead, or Inclusion Assistant, who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis

Limiting the cost of school uniform

At Goring C of E Primary School, we are very clear that the cost of uniform should not, and must not, be a barrier or cause for concern for our parents.

Goring C of E Primary is proud to have a distinctive uniform which allows children to feel connected to the ethos of our school providing a sense of belonging and identity to our Goring School community.

However, the school also ensures that there are not unnecessary costs associated with this and will listen to, and act upon, parental feedback on any issue that arises. The school also ensures that costs are broadly in line, if not below, those of other local schools.

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that require a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to seek items for a low price.

We will make sure our uniform:

- **Is available at a reasonable cost**
- **Provides the best value for money for parents/carers**

We will do this by:

- **Carefully considering whether any items with distinctive characteristics such as school logos are necessary**
- **Limiting any items with distinctive characteristics where possible. At Goring C of E Primary, there are no mandatory branded items although the navy jumper and red and navy tie are desirable. There are other distinctive items such as PE kits, but these are also optional**
- **Limiting items with distinctive characteristics to low-cost or long-lasting items**
- **Avoiding specific requirements for items pupils could wear on non-school days, such as coats and bags**
- **Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler.**
- **Avoiding different uniform requirements for different year groups**
- **Ensuring siblings are in the same school house, so distinctive items, like PE tops, can be re-used**
- **Avoiding different uniform requirements for extra-curricular activities e.g. Woodland Crafts**
- **Making sure that arrangements are in place for parents to acquire second-hand uniform items**
- **Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes**
- **Signposting families in receipt of the Pupil Premium allowance to support with uniform costs**
- **Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.**

There may be some occasions/periods of time where additional clothing is required:

- **The children in Year 5 take part in swimming activities during the summer term. Children may wear their own swimming costumes and trunks/shorts. Goggles are recommended.**

- **No make-up or nail varnish**

Whilst the school will make every effort to safeguard pupils' property, and will do its very best to trace lost items, the school cannot accept responsibility for loss or damage to items.

Hair

For Health and Safety reasons, all hair longer than shoulder length must be tied back whilst in school. Hair bobbles or bands should be small and discrete and children who forget their own will have them provided by school.

We do not permit extremes of fashion in children's hairstyles. These include unnatural colour, shaved lines or patterns, distinct changes in length in the hair (changes should be graduated)

We also ask that children do not come into school with hair-wraps/holiday-style hair. An example of this can be seen below.

When a child's hairstyle is considered extreme, parents will be contacted.

The governing body will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.
